November 4, 2021

The benefits just keep getting better for Un-carrier customers. Starting November 9, new and existing customers on every postpaid consumer plan can score one full year of Paramount+ Essential on Us!

- **What's the news:** New and existing T-Mobile and Sprint customers on every postpaid consumer and home internet plan can get one full year of Paramount+ Essential on Us from T-Mobile!
- **Why it matters:** The average US streaming consumer now subscribes to five streaming services,¹ and those costs can add up. - **Who it's for:** New and existing T-Mobile and Sprint customers on all postpaid consumer plans, even if they're already a Paramount+ subscriber.
