As Representatives of the
several Underwriters listed
in Schedule 1 hereto

Ladies and Gentlemen:

ViacomCBS Inc., a Delaware corporation (the "Company"), proposes to issue and sell to the several Underwriters listed in Schedule 1 hereto (the "Underwriters," which term shall include any underwriter substituted hereinafter as provided in Section 10 hereof), for whom you are acting as representatives (the "Representatives"), \$1,250,000,000 principal amount of its 4.750% Senior Notes due 2025 (the "2025 Notes") and \$1,250,000,000 principal amount of its 4.950% Senior Notes due 2031 (the "2031 Notes," and together with the 2025 Notes, the "Securities"). The Securities will be issued pursuant to an Indenture (the "Indenture") dated as of March 27, 2020 between the Company and Deutsche Bank Trust Company Americas, as trustee (the "Trustee"). Certain terms of the Securities were or will be established pursuant to resolutions adopted by the Company as of March 27, 2020 pursuant to Section 301 of the Indenture.

1. Representations and Warranties. The Company represents and warrants to the Underwriters, as of the date hereof, as follows:

(a) Registration Statement and the Prospectus. The Company has filed with the Securities and Exchange Commission (the “Commission”) a registration statement on Form S-3 (No. 333- 237426) under the Securities Act of 1933, as amended (the “1933 Act”) (including the information (if any) deemed to be part of the registration statement pursuant to Rule 430A, Rule 430B or Rule 430C under the 1933 Act, the “Registration Statement”), in respect of, among other matters, the Securities. The Company meets the requirements for use of Form S-3 under the 1933 Act. The Registration Statement is an “automatic shelf registration statement,” as defined in Rule 405 under the 1933 Act, that initially became effective not earlier than three years prior to the date hereof, and the Indenture has been qualified under the Trust Indenture Act of 1939, as amended (the “1939 Act”). The prospectus included in the Registration Statement is hereinafter referred to as the “Base Prospectus.” The Base Prospectus, as supplemented by the prospectus supplement specifically relating to the Securities in the form first used to confirm sales of the Securities (or in the form first made available to the Underwriters by the Company to meet requests of purchasers pursuant to Rule 173 under the 1933 Act), is hereinafter referred to as the “Prospectus,” and the term “Preliminary Prospectus” means the preliminary form of the Prospectus dated March 27, 2020. For purposes of this Underwriting Agreement, “free writing prospectus” has the meaning set forth in Rule 405 under the 1933 Act, and “Time of Sale Prospectus” means the Preliminary Prospectus together with the free writing prospectuses, if any, each identified in Annex A hereto. As used herein, the terms “Registration Statement,” “Base Prospectus,” “Preliminary Prospectus,” “Time of Sale Prospectus” and “Prospectus” shall include the documents, if any, incorporated by reference therein. Any reference herein to the terms “amend,” “amendment” or “supplement” with respect to the Registration Statement, the Base Prospectus, the Preliminary Prospectus, the Time of Sale Prospectus and the Prospectus shall be deemed to refer to and include the filing of any document under the Securities Exchange Act of 1934, as amended (the “1934 Act”), after the date of this Underwriting Agreement, or the issue date of the Base Prospectus, the Preliminary Prospectus, the Time of Sale Prospectus or the Prospectus, as the case may be, deemed to be incorporated therein by reference.

The Registration Statement, as of the most recent effective date, and the Indenture complied, in all material respects, with the applicable provisions of the 1933 Act and the 1939 Act, respectively, and the applicable rules and regulations of the Commission thereunder. The Registration Statement, as of the most recent effective date, did not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading. The Time of Sale Prospectus, at March 27, 2020, did not, and at the Closing Time, will not, contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The Prospectus, as of its date and at the Closing Time, will comply, in all material respects, with the applicable provisions of the 1933 Act and will not contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that the Company makes no representations or warranties as to (i) that part of the Registration Statement which shall constitute the Statement of Eligibility and Qualification (Form T-1) of the Trustee under the

1939 Act or (ii) the information contained in or omitted from the Registration Statement, the Time of Sale Prospectus or the Prospectus or any amendment thereof or supplement thereto in reliance upon and in conformity with information furnished to the Company in writing by or on behalf of any Underwriter through the Representatives specifically for use in the Registration Statement, the Time of Sale Prospectus or the Prospectus or any amendment thereof or supplement thereto.

(b) *Issuer Free Writing Prospectus.* Other than the Preliminary Prospectus and the Prospectus, the Company (including its agents and representatives, other than the Underwriters in their capacity as such) has not made, used, prepared, authorized, approved or referred to and will not prepare, make, use, authorize, approve or refer to any free writing prospectus other than the documents listed on Annex A hereto and other written communications approved in writing in advance by the Representatives.

The documents listed on Annex A hereto do not include any information that conflicts with the information contained in the Registration Statement, including any document incorporated therein by reference and any prospectus supplement deemed to be a part thereof that has not been superseded or modified. The foregoing sentence does not apply to statements in or omissions from any documents listed on Annex A hereto based upon and in conformity with written information furnished to the Company by any Underwriter through the Representatives specifically for use therein.

(c) *Incorporated Documents.* The documents incorporated by reference in the Registration Statement, the Time of Sale Prospectus and the Prospectus, at the time they were or hereafter are, until the Closing Time, filed with the Commission, complied and will comply, as the case may be, in all material respects with the requirements of the 1934 Act and the rules and regulations of the Commission thereunder (the "1934 Act Regulations").

(d) *Independent Accountants.* To the best of the Company's knowledge, the accountants who certified the financial statements and any supporting schedules thereto included in the Registration Statement, the Time of Sale Prospectus and the Prospectus are independent public accountants as required by the 1933 Act and the applicable rules and regulations of the Commission thereunder (the "1933 Act Regulations").

(e) *Financial Statements.* The financial statements of the Company included in the Registration Statement, the Time of Sale Prospectus and the Prospectus, together with the related schedules and notes, as well as those financial statements, schedules and notes of any other entity included therein, present fairly the financial position of the Company in all material respects at the dates indicated, and the statement of operations, stockholders' equity and cash flows of the Company for the periods specified. Such financial statements have been prepared in conformity with generally accepted accounting principles ("GAAP") applied on a consistent basis throughout the periods involved, except as otherwise noted therein and subject, in the case of interim financial statements, to normal year-end audit adjustments. The supporting schedules, if any, included in the Registration Statement, the Time of Sale Prospectus and the Prospectus present fairly in all material respects in accordance with GAAP the information required to be stated therein.

(f) No Material Adverse Change in Business. Since the date of the most recent consolidated financial statements included or incorporated by reference in the Registration Statement, the Time of Sale Prospectus and the Prospectus, except as otherwise stated therein, there has been no material adverse change in the financial condition, results of operations or business affairs of the Company and its subsidiaries considered as one enterprise (a “Material Adverse Effect”).

(g) Good Standing. The Company is validly existing as a corporation in good standing under the laws of the State of Delaware and has corporate power and authority to own, lease and operate its properties and to conduct its business as described in the Time of Sale Prospectus and the Prospectus and to enter into and perform its obligations under, or as contemplated under, this Underwriting Agreement. The Company is duly qualified as a foreign corporation to transact business and is in good standing in each other jurisdiction in which such qualification is required, whether by reason of the ownership or leasing of property or the conduct of business, except where the failures to so qualify or be in good standing would not in the aggregate result in a Material Adverse Effect.

(h) Good Standing of Designated Subsidiaries. Each “significant subsidiary” of the Company (as such term is defined in Rule 1-02 of Regulation S-X promulgated under the 1933 Act), if any, is validly existing as a corporation in good standing under the laws of the jurisdiction of its incorporation, has corporate power and authority to own, lease and operate its properties and to conduct its business as described in the Time of Sale Prospectus and the Prospectus and is duly qualified as a foreign corporation to transact business and is in good standing in each jurisdiction in which such qualification is required, whether by reason of the ownership or leasing of property or the conduct of business, except where the failures to so qualify or be in good standing would not in the aggregate result in a Material Adverse Effect.

(i) Authorization of Underwriting Agreement. This Underwriting Agreement has been duly authorized, executed and delivered by the Company.

(j) Authorization of the Securities. The Securities have been duly authorized by the Company for issuance and sale pursuant to this Underwriting Agreement. The Securities, when issued and authenticated in the manner provided for in the Indenture and delivered against payment of the consideration therefor specified in this Underwriting Agreement, will have been duly executed, authenticated, issued and delivered and will constitute valid and legally binding obligations of the Company, entitled to the benefits of the Indenture, enforceable against the Company, in accordance with their terms, except as (i) the enforceability thereof may be limited by bankruptcy, insolvency (including, without limitation, all laws relating to fraudulent transfers), reorganization, moratorium or other similar laws affecting the enforcement of creditors’ rights generally and (ii) rights of acceleration, if any, and the availability of equitable remedies may be limited by equitable principles of general applicability (regardless of whether considered in a proceeding in equity or at law).

(l) Authorization of the Indenture. The Indenture has been duly authorized, executed and delivered by the Company and, assuming the due authorization, execution and delivery by the trustee thereunder, constitutes a valid and binding agreement of the Company, enforceable

against the Company in accordance with its terms, except as (i) the enforceability thereof may be limited by bankruptcy, insolvency (including, without limitation, all laws relating to fraudulent transfers), reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally and (ii) rights of acceleration, if any, and the availability of equitable remedies may be limited by equitable principles of general applicability (regardless of whether considered in a proceeding in equity or at law).

(m) Description of the Securities and the Indenture. The Securities and the Indenture conform in all material respects to the statements relating thereto contained in the Time of Sale Prospectus and the Prospectus.

(n) Absence of Defaults and Conflicts. The issue and sale of the Securities and compliance by the Company with all of the provisions of the Securities, the Indenture and this Underwriting Agreement and the consummation of the transactions contemplated herein and therein do not and will not, whether with or without the giving of notice or passage of time or both, conflict with or constitute a breach of, or default or Repayment Event (as defined below) under, any obligation, agreement, covenant or condition contained in any contract, indenture, mortgage, deed of trust, loan or credit agreement, note, lease or other agreement or instrument to which the Company or any of its subsidiaries is a party or by which it or any of them may be bound, or to which any of the assets, properties or operations of the Company or any of its subsidiaries is subject, nor will such action result in any violation of the provisions of the charter or by-laws of the Company or any of its subsidiaries or any applicable law, statute, rule, regulation, judgment, order, writ or decree of any government, government instrumentality or court, domestic or foreign, having jurisdiction over the Company or any of its subsidiaries or any of their assets, properties or operations, except, in any such case, for such conflicts, breaches or violations as would not individually or in the aggregate result in a Material Adverse Effect. As used herein, a "Repayment Event" means any event or condition which gives the holder of any note, debenture or other evidence of indebtedness (or any person acting on such holder's behalf) the right to require the repurchase, redemption or repayment of all or a portion of such indebtedness by the Company or any of its subsidiaries.

(o) Absence of Proceedings. There is no action, suit, proceeding, inquiry or investigation before or brought by any court or governmental agency or body, domestic or foreign, now pending, or to the knowledge of the Company, threatened, against or affecting the Company or any of its subsidiaries which is required to be disclosed in the Registration Statement, the Time of Sale Prospectus and the Prospectus (other than as stated therein).

(p) Absence of Further Requirements. No filing with, or authorization, approval, consent, license, order, registration, qualification or decree of, any court or governmental authority or agency, domestic or foreign, is necessary or required for the authorization, issuance, sale and delivery of the Securities by the Company or for the performance by the Company of the transactions contemplated under this Underwriting Agreement, except as otherwise set forth herein, and except such as have been already made, obtained or rendered, as applicable, and as may be required under state securities or Blue Sky laws in connection with the purchase and distribution of the Securities by the Underwriters and except where the failure to obtain any such

filing, authorization, approval, consent, license, order, registration, qualification or decree would not individually or in the aggregate result in a Material Adverse Effect.

(q) Investment Company Act. The Company is not, and upon the issuance and sale of the Securities as herein contemplated and the application of the net proceeds therefrom as described in the Time of Sale Prospectus and the Prospectus will not be, an “investment company” within the meaning of the Investment Company Act of 1940, as amended (the “1940 Act”).

(r) Officer's Certificates. Any certificate signed by any officer of the Company or any of its subsidiaries delivered to the Representatives or to counsel for the Underwriters shall be deemed a representation and warranty by the Company to each Underwriter as to matters covered thereby.

(s) Disclosure Controls. The Company maintains effective disclosure controls and procedures (as defined in Rule 13a-15(e) under the 1934 Act) that are designed to ensure that information required to be disclosed by the Company in reports that it files or submits under the 1934 Act is recorded, processed, summarized and reported within the time periods specified in the Commission's rules and forms, including controls and procedures designed to ensure that such information is accumulated and communicated to the Company's management as appropriate to allow timely decisions regarding required disclosure. The Company has carried out evaluations of the effectiveness of its disclosure controls and procedures as required by Rule 13a-15 under the 1934 Act.

(t) Accounting Controls. The Company maintains processes of internal control over financial reporting (as defined in Rule 13a-15(f) under the 1934 Act) designed by, or under the supervision of, its principal executive and principal financial officers, or persons performing similar functions, to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with GAAP. Except as disclosed in the Registration Statement, the Time of Sale Prospectus and the Prospectus, there are no material weaknesses in the design or operation of internal control over financial reporting which are reasonably likely to adversely affect the Company's ability to record, process, summarize and report financial information.

(u) Sarbanes-Oxley Act. There is and has been no failure in any material respect on the part of the Company or, to the Company's knowledge, any of the Company's directors or officers, in their capacities as such, to comply with any provision of the Sarbanes-Oxley Act of 2002 and the rules and regulations promulgated in connection therewith, including Section 402 related to loans and Sections 302 and 906 related to certifications by the Company's Chief Executive Officer and Chief Financial Officer.

(v) Status under the 1933 Act. The Company is not an “ineligible issuer” and is a “well-known seasoned issuer,” in each case, as defined under the 1933 Act, at the times specified in the 1933 Act in connection with the offering of the Securities.

(w) Broadcasting Operations. Except as disclosed in the Registration Statement, the Time of Sale Prospectus and Prospectus or as would not individually or in the aggregate result in a Material Adverse Effect, the Company and its subsidiaries hold all material Federal Communications Commission (the “FCC”) permits, licenses, authorizations and approvals for its broadcast stations (collectively, the “Authorizations”) that are necessary to conduct their respective businesses in the manner in which they are currently being conducted; the Authorizations are in full force and effect; the operations of the stations owned or operated by the Company or any of its subsidiaries (the “Stations”) are in all material respects in compliance with the Communications Act of 1934, as amended, and the rules, regulations, written policies and decisions of the FCC thereunder (collectively, the “Communications Act”); and all reports and documents that are required by the Communications Act to be filed with respect to the ownership, management or operation of the Stations have been duly and timely filed.

2. Sale and Delivery to Underwriters; Closing.

(a) Securities. Subject to the terms and conditions set forth herein, the Company agrees to issue and sell to each of the Underwriters, and each of the Underwriters agrees, severally and not jointly, to purchase from the Company, at the price set forth in Schedule 2 hereto, the aggregate principal amount of the Securities set forth in Schedule 1 hereto opposite the name of such Underwriter plus any additional principal amount of the Securities which such Underwriter may become obligated to purchase pursuant to the provisions of Section 10 hereof.

(b) Payment. Payment of the purchase price for, and delivery of, the Securities shall be made at the offices of the Company, 1515 Broadway, New York, New York 10036, or at such other place as shall be agreed upon by the Representatives and the Company, at 9:00 A.M. (Eastern time) on April 1, 2020 (unless postponed in accordance with the provisions of Section 10 hereof), or such other time not later than ten business days after such date as shall be agreed upon by the Representatives and the Company (such time and date of payment and delivery being herein called the “Closing Time”).

Payment shall be made to the Company by wire transfer of immediately available funds to a bank account designated by the Company, against delivery to the Representatives for the respective accounts of the Underwriters of the Securities to be purchased by them. It is understood that each Underwriter has authorized the Representatives, for its account, to accept delivery of, receipt for, and make payment of the purchase price for, the Securities which it has severally agreed to purchase. The Representatives, individually and not as representatives of the Underwriters, may (but shall not be obligated to) make payment of the purchase price for the Securities to be purchased by any Underwriter whose funds have not been received by the Closing Time, but such payment shall not relieve such Underwriter from its obligations hereunder. Delivery of the Securities shall be made through the facilities of The Depository Trust Company (“DTC”), Clearstream Luxembourg Banking, *société anonyme*, or Euroclear Bank S.A./N.V., as operator of the Euroclear System, unless the Representatives shall otherwise instruct.

(c) Restrictions on Resale.

References in this Section 2(c) to Regulations or Directives include, in relation to the United Kingdom, those Regulations or Directives as they form part of United Kingdom domestic law by virtue of the European Union (Withdrawal) Act 2018 or have been implemented in United Kingdom domestic law, as appropriate.

(i) Each Underwriter agrees that it will not offer, sell or deliver any of the Securities, directly or indirectly, or distribute the Time of Sale Prospectus or the Prospectus or any other offering material relating to the Securities, in or from any jurisdiction except under circumstances that will, to the best knowledge and belief of such Underwriter after reasonable investigation, result in compliance with the applicable laws and regulations thereof and which will not impose any obligations on the Company except as set forth in this Underwriting Agreement.

(ii) Each Underwriter represents and agrees that the Time of Sale Prospectus and Prospectus are for distribution only to, and directed only at, (1) persons outside the United Kingdom, (2) persons with professional experience in matters relating to investments falling within Article 19(5) of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005 (as amended, the "Financial Promotion Order"), (3) persons falling within Article 49(2)(a) to (d) ("high net worth companies, unincorporated associations etc.") of the Financial Promotion Order and (4) persons to whom an invitation or inducement to engage in investment activity (within the meaning of Section 21 of the Financial Services and Markets Act 2000 ("FSMA")) in connection with the issue or sale of any Securities may otherwise lawfully be communicated or caused to be communicated.

(iii) Each Underwriter represents and agrees that:

(1) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of Section 21 of the FSMA) received by it in connection with the issue or sale of the Securities in circumstances in which Section 21(1) of the FSMA does not apply to the Company; and

(2) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to the Securities in, from or otherwise involving the United Kingdom.

(iv) Each Underwriter represents and agrees that:

(1) the Securities are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area ("EEA") or the United Kingdom ("UK"); and

(2) no key information document required by Regulation (EU) No 1286/2014 (as amended, the "PRIIPs Regulation") for offering or selling the Securities or

otherwise making them available to retail investors in the EEA or the UK has been prepared and therefore offering or selling the Securities or otherwise making them available to any retail investor in the EEA or the UK may be unlawful under the PRIIPs Regulation.

For purposes of this Section 2(c)(iv), a retail investor means a person who is one (or more) of the following: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, "MiFID II"), (ii) a customer within the meaning of Directive EU 2016/97 (as amended, the "Insurance Distribution Directive"), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II, or (iii) a person who is not a qualified investor as defined in Regulation (EU) No. 2017/1129 (as amended, the "Prospectus Regulation").

For the purposes of this Section 2(c)(iv), the expression "offer" includes the communication in any form and by any means of sufficient information on the terms of the offer and the Securities to be offered so as to enable an investor to decide to purchase or subscribe for the Securities.

(v) Each Underwriter represents and agrees that the Securities will be sold only to purchasers purchasing, or deemed to be purchasing, as principal that are accredited investors, as defined in National Instrument 45-106 Prospectus Exemptions or subsection 73.3(1) of the Securities Act (Ontario), and are permitted clients, as defined in National Instrument 31-103 Registration Requirements, Exemptions and Ongoing Registrant Obligations and any resale of the Securities will be made in accordance with an exemption from, or in a transaction not subject to, the prospectus requirements of applicable securities laws.

(d) Free Writing Prospectuses. (i) The Company represents and agrees that, other than the final term sheet substantially in the form of Annex B hereto, without the prior consent of the Representatives, it has not made and will not make any offer relating to the Securities that would constitute a "free writing prospectus" as defined in Rule 405 under the 1933 Act; (ii) each Underwriter represents and agrees that, other than the final term sheet substantially in the form of Annex B hereto, without the prior consent of the Company, it has not made and will not make any offer relating to the Securities that would constitute a free writing prospectus; and (iii) any such free writing prospectus, the use and content of which have been consented to by the Company and the Representatives (including the final term sheet substantially in the form of Annex B hereto) is listed on Annex A hereto. Notwithstanding anything to the contrary herein, the Company consents to the use by any Underwriter of a free writing prospectus that contains only (A) information describing only the preliminary terms of the Securities or their offering and that is included in the final term sheet of the Company contemplated in clause (i) above, or (B) other information that is not "issuer information," as defined in Rule 433 under the 1933 Act.

3. Covenants of the Company. The Company covenants with each Underwriter, as follows:

(a) Compliance with Securities Regulations and Commission Requests. The Company, subject to Section 3(b) hereof, will comply with the requirements of Rule 430A, 430B

or 430C of the 1933 Act Regulations and Rule 462(b) under the 1933 Act Regulations, if and as applicable, will file any free writing prospectus to the extent required by Rule 433 under the 1933 Act, and will notify the Representatives immediately, and confirm the notice in writing, of (i) the effectiveness of any post-effective amendment to the Registration Statement or the filing of any supplement or amendment to the Prospectus, (ii) the receipt of any comments from the Commission, (iii) any request by the Commission for any amendment to the Registration Statement or any amendment or supplement to the Prospectus or for additional information, and (iv) the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or of any order preventing or suspending the use of the Prospectus, or of the suspension of the qualification of the Securities for offering or sale in any jurisdiction, or of the initiation or threatening of any proceedings for any of such purposes. The Company will promptly effect the filings necessary pursuant to Rule 424 and will take such steps as it deems necessary to ascertain promptly whether the Prospectus transmitted for filing under Rule 424 was received for filing by the Commission and, in the event that it was not, will promptly file the Prospectus. The Company will make every reasonable effort to prevent the issuance of any stop order and, if any stop order is issued, to obtain the lifting thereof at the earliest possible moment.

(b) Filing of Amendments. Until the Closing Time, the Company will advise the Representatives promptly of its intention to file or prepare any amendment to the Registration Statement, any amendment, supplement or revision to the Prospectus, or any free writing prospectus, will furnish the Representatives with copies of any such documents or communications a reasonable amount of time prior to such proposed filing or use, as the case may be, and will not file or use any such document or communication to which the Representatives or counsel for the Underwriters shall reasonably object on a timely basis, unless, in the judgment of the Company or its counsel, such amendment or supplement or other document or communication is necessary to comply with law.

(c) Delivery of Registration Statements. The Company has furnished or, if requested in writing by the Representatives, will deliver to the Representatives and counsel for the Underwriters, without charge, signed copies of the Registration Statement as originally filed and of each amendment thereto (including exhibits filed therewith or incorporated by reference therein and documents incorporated or deemed to be incorporated by reference therein) and signed copies of all consents and certificates of experts, and will also deliver to the Representatives, without charge, one conformed copy of the Registration Statement as originally filed and of each amendment thereto (without exhibits) for each of the Underwriters.

(d) Delivery of Prospectuses. The Company will furnish to each Underwriter, without charge, during the period when the Prospectus is required by the 1933 Act or the 1934 Act to be delivered (including in circumstances where such requirement may be satisfied pursuant to Rule 172), such number of copies of the Prospectus and each free writing prospectus as such Underwriter may reasonably request.

(e) Continued Compliance with Securities Laws. The Company will comply in all material respects with the 1933 Act and the 1933 Act Regulations and the 1934 Act and the 1934 Act Regulations so as to permit the completion of the distribution of the Securities as contemplated in this Underwriting Agreement and in the Registration Statement, the Time of

Sale Prospectus and the Prospectus. If at any time when the Prospectus is required by the 1933 Act or the 1934 Act to be delivered (including in circumstances where such requirement may be satisfied pursuant to Rule 172 under the 1933 Act) in connection with sales of the Securities, any event shall occur or condition shall exist as a result of which it is necessary, in the opinion of counsel for the Company, after consultation with counsel for the Underwriters, to amend the Registration Statement in order that the Registration Statement will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading or to amend or supplement the Preliminary Prospectus, the Time of Sale Prospectus or the Prospectus in order that the Preliminary Prospectus, the Time of Sale Prospectus or the Prospectus will not include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein not misleading in the light of the circumstances existing at the time it is delivered to a purchaser, or if it shall be necessary, in the opinion of counsel for the Company, at any such time to amend the Registration Statement or amend or supplement the Preliminary Prospectus, the Time of Sale Prospectus or the Prospectus in order to comply with the requirements of the 1933 Act or the 1933 Act Regulations, the Company will promptly prepare and file with the Commission, subject to Section 3(b) hereof, such amendment or supplement as may be necessary to correct such statement or omission or to make the Registration Statement, the Preliminary Prospectus, the Time of Sale Prospectus or the Prospectus comply with such requirements, and the Company will furnish to the Underwriters, without charge, such number of copies of such amendment or supplement as the Underwriters may reasonably request.

(f) Blue Sky Qualifications. The Company will use its best efforts, in cooperation with the Underwriters, to qualify the Securities for offering and sale under the applicable securities laws of such states and other jurisdictions (domestic or foreign) as the Representatives may designate and to maintain such qualifications in effect for so long as required for the distribution of the Securities; provided, however, the Company shall not be obligated to file any general consent to service of process or to qualify as a foreign corporation or as a dealer in securities in any jurisdiction in which it is not so qualified or to subject itself to taxation in respect of doing business in any jurisdiction in which it is not otherwise so subject.

(g) Earnings Statement. The Company will timely file such reports pursuant to the 1934 Act as are necessary in order to make generally available to its securityholders an earnings statement for the purposes of, and to provide the benefits contemplated by, the last paragraph of Section 11(a) of the 1933 Act. The Company may elect to rely upon Rule 158 under the 1933 Act and may elect to make such earnings statement available more frequently than once in any period of twelve months.

(h) DTC. The Company will cooperate with the Representatives and use its reasonable best efforts to permit the Securities to be eligible for clearance and settlement through the facilities of DTC.

(i) Reporting Requirements. The Company, during the period when the Prospectus is required to be delivered under the 1933 Act or the 1934 Act, will file all documents required to be filed with the Commission pursuant to the 1934 Act within the time periods required by the 1934 Act and the 1934 Act Regulations.

(j) Record Retention. The Company will, to the extent required under Rule 433 under the 1933 Act, retain copies of each free writing prospectus that it has used and not filed with the Commission.

4. Payment of Expenses. The Company will pay all expenses incident to the performance of its obligations under this Underwriting Agreement, including (i) the preparation, printing and filing of the Registration Statement (including financial statements and any schedules or exhibits and any document incorporated therein by reference) as originally filed and of each amendment or supplement thereto, (ii) the preparation, printing and delivery to the Underwriters of this Underwriting Agreement, any agreement among Underwriters, the Indenture and such other documents as may be required in connection with the offering, purchase, sale, issuance or delivery of the Securities, (iii) the preparation, issuance and delivery of the Securities and any certificates for the Securities to the Underwriters, including any transfer taxes and any stamp or other duties payable upon the sale, issuance or delivery of the Securities to the Underwriters and any charges of DTC in connection therewith, (iv) the reasonable fees and disbursements of the Company's counsel, accountants and other advisors or agents (including transfer agents and registrars), as well as the fees and disbursements of the Trustee and its counsel, (v) the qualification of the Securities under state securities laws in accordance with the provisions of Section 3(f) hereof, including filing fees and the reasonable fees and disbursements of counsel for the Underwriters in connection therewith and in connection with the preparation, printing and delivery of the Blue Sky Survey, and any amendment thereto, (vi) the printing and delivery to the Underwriters of copies of the Prospectus and any amendments or supplements thereto, (vii) the fees charged by nationally recognized statistical rating organizations for the rating of the Securities, (viii) the filing fees incident to, and the reasonable documented fees and disbursements of counsel to the Underwriters in connection with, the review, if any, by the Financial Industry Regulatory Authority of the terms of the sale of the Securities and (ix) the filing fees payable to the Commission in connection with the registration therewith of the Securities.

5. Conditions of Underwriters' Obligations. The obligations of the several Underwriters to purchase and pay for the Securities under this Underwriting Agreement are subject to the accuracy of the representations and warranties of the Company contained in Section 1 hereof or in certificates of any officer of the Company or any of its subsidiaries delivered pursuant to the provisions hereof, to the performance by the Company of its covenants and other obligations hereunder, and to the following further conditions:

(a) Effectiveness of Registration Statement. No stop order suspending the effectiveness of the Registration Statement shall have been issued under the 1933 Act and no proceedings for that purpose, pursuant to Rule 401(g)(2) under the 1933 Act or pursuant to Section 8A of the 1933 Act, shall have been instituted or be pending or threatened by the Commission. A prospectus containing information relating to the description of the Securities, the specific method of distribution and similar matters shall have been filed with the Commission in accordance with Rule 424 under the 1933 Act Regulations.

(b) Opinion of Counsel for Company. At the Closing Time, the Representatives shall have received the favorable opinion, dated as of the Closing Time, of Shearman & Sterling LLP, counsel for the Company, and the general counsel of the Company or an associate or deputy

general counsel of the Company that practices in the area of corporate and securities law, each in form and substance satisfactory to counsel for the Underwriters, together with signed or reproduced copies of such letter for each of the other Underwriters, with respect to such matters as the Underwriters may reasonably request.

(c) Opinion of Counsel for Underwriters. At the Closing Time, the Representatives shall have received the favorable opinion, dated as of the Closing Time, of Hughes Hubbard & Reed LLP, counsel for the Underwriters, together with signed or reproduced copies of such letter for each of the other Underwriters, with respect to such matters as the Underwriters may reasonably request.

(d) Officers' Certificate. At the Closing Time, the Representatives shall have received a certificate of an Executive Vice President, or a Senior Vice President or a Vice President of the Company and of the chief financial officer, Treasurer or chief accounting officer of the Company, dated as of the Closing Time, to the effect that (i) the representations and warranties in Section 1 are true and correct with the same force and effect as though expressly made at and as of the Closing Time, (ii) the Company has complied with all agreements and satisfied all conditions on its part to be performed or satisfied in the Indenture or this Underwriting Agreement at or prior to the Closing Time, and (iii) no stop order suspending the effectiveness of the Registration Statement has been issued and no proceedings for that purpose have been instituted, are pending or, to the best of such officer's knowledge, are threatened by the Commission.

(e) Accountant's Comfort Letter. At the time of the execution of this Underwriting Agreement, the Representatives shall have received from PricewaterhouseCoopers LLP a letter dated such date, in form and substance satisfactory to the Representatives, together with signed or reproduced copies of such letter for each of the other Underwriters, containing statements and information of the type ordinarily included in accountants' "comfort letters" to underwriters with respect to the financial statements and certain financial information contained or incorporated by reference in the Registration Statement, the Time of Sale Prospectus and the Prospectus.

(f) Bring-down Comfort Letter. At the Closing Time, the Representatives shall have received from PricewaterhouseCoopers LLP a letter, dated as of the Closing Time, to the effect that they reaffirm the statements made in the letters furnished pursuant to subsection (e) of this Section 5, except that the specified date referred to shall be a date not more than three business days prior to the Closing Time.

(g) Ratings. Subsequent to the execution of this Underwriting Agreement and prior to the Closing Time, there shall not have occurred any downgrading in the rating of any debt securities of the Company by S&P Global Ratings, a division of S&P Global Inc., Moody's Investors Service, Inc. or Fitch Ratings, Inc. or any public announcement that any such organization has under surveillance or review its rating of any debt securities of the Company (other than an announcement with positive implications of a possible upgrading, and no implication of a possible downgrading, of such rating).

(h) Additional Documents. At the Closing Time, counsel for the Underwriters shall have been furnished with such documents and opinions as they may reasonably require for the

purpose of enabling them to pass upon the issuance and sale of the Securities as herein contemplated, or in order to evidence the accuracy of any of the representations or warranties, or the fulfillment of any of the conditions, herein contained; and all proceedings taken by the Company in connection with the issuance and sale of the Securities as herein contemplated shall be reasonably satisfactory in form and substance to the Representatives and counsel for the Underwriters.

6. Indemnification.

(a) Indemnification of Underwriters. The Company agrees to indemnify and hold harmless each Underwriter and each person, if any, who controls any Underwriter within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act as follows:

(i) against any and all loss, liability, claim and damage whatsoever, as incurred, arising out of any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement (or any amendment thereto) or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein not misleading or arising out of any untrue statement or alleged untrue statement of a material fact included in the Base Prospectus, the Time of Sale Prospectus, the Prospectus (or any amendment or supplement thereto), any free writing prospectus that the Company has filed, or is required to file, pursuant to Rule 433(d) under the 1933 Act, or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(ii) against any and all loss, liability, claim and damage whatsoever, as incurred, to the extent of the aggregate amount paid in settlement of any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission; provided that any such settlement is effected with the written consent of the Company; and

(iii) against any and all out of pocket expense as reasonably incurred (including, subject to the limitations set forth in Section 6(c) hereof, the fees and disbursements of counsel chosen by the Representatives), in investigating, preparing or defending against any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission, to the extent that any such expense is not paid under (i) or (ii) above; provided, however, that this indemnity agreement shall not apply to any loss, liability, claim, damage or expense (A) to the extent arising out of any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with written information furnished to the Company by any Underwriter through the Representatives expressly for use in the Registration Statement (or any amendment thereto) or the Base Prospectus, the Time of Sale Prospectus, the Prospectus (or any amendment or supplement thereto), or any free writing prospectus that the Company has filed, or is required to file, pursuant to

Rule 433(d) under the 1933 Act; or (B) to the extent arising out of or based upon any untrue statement or omission or alleged untrue statement or omission made in reliance upon Form T-1 under the 1939 Act filed as an exhibit to the Registration Statement.

(b) Indemnification of Company, Directors and Officers. Each Underwriter agrees, severally and not jointly, to indemnify and hold harmless the Company, its directors, each of its officers who signed the Registration Statement, and each person, if any, who controls the Company within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act against any and all loss, liability, claim, damage and expense described in the indemnity contained in subsection (a) of this Section 6, as incurred, but only with respect to untrue statements or omissions, or alleged untrue statements or omissions, made in the Registration Statement (or any amendment thereto), the Base Prospectus, the Time of Sale Prospectus, the Prospectus (or any amendment or supplement thereto), or any free writing prospectus that the Company has filed, or is required to file, pursuant to Rule 433(d) under the 1933 Act in reliance upon and in conformity with written information furnished to the Company by such Underwriter through the Representatives expressly for use in the Registration Statement (or any amendment thereto), such Base Prospectus, the Time of Sale Prospectus, the Prospectus (or any amendment or supplement thereto), or such free writing prospectus that the Company has filed, or is required to file, pursuant to Rule 433(d) under the 1933 Act. This indemnity agreement will be in addition to any liabilities which any Underwriter may otherwise have.

(c) Actions Against Parties; Notification. Each indemnified party shall promptly give written notice to each indemnifying party of any action commenced against it in respect of which indemnity may be sought hereunder, but failure to so notify an indemnifying party shall not relieve such indemnifying party from any liability hereunder to the extent it is not materially prejudiced as a result thereof and in any event shall not relieve it from any liability which it may have otherwise than on account of this indemnity agreement. The indemnifying party shall be entitled to appoint counsel of the indemnifying party's choice at the indemnifying party's expense to represent the indemnified party in any action for which indemnification is sought (in which case the indemnifying party shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the indemnified party or parties except as set forth below); provided, however, that such counsel shall be reasonably satisfactory to the indemnified party. Any indemnified party shall have the right to employ separate counsel in any such action, but the fees and expenses of such separate counsel shall be at the expense of the indemnified party unless (i) the employment of such counsel shall have been specifically authorized in writing by the indemnifying party, (ii) the indemnifying party shall have failed promptly to assume the defense and employ counsel or (iii) the named parties to any such action shall include both the indemnified party and the indemnifying party, and such indemnified party shall have been advised by counsel that there may be one or more legal defenses available to it which are different from, or additional to, those available to the indemnifying party, it being understood, however, that the indemnifying party shall not, in connection with any one such action or separate but substantially similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances, be liable for the reasonable fees and expenses of more than one separate firm of attorneys (in addition to any local counsel) for all such indemnified parties, which firm shall be designated in writing by the Representatives on behalf of all of such indemnified parties. No indemnifying party shall, without the prior written

consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever in respect of which indemnification or contribution could be sought under this Section 6 or Section 7 hereof, unless such settlement, compromise or consent includes an unconditional release of each indemnified party from all liability arising out of such litigation, investigation, proceeding or claim.

7. Contribution. If the indemnification provided for in Section 6 hereof is for any reason unavailable to or insufficient to hold harmless an indemnified party in respect of any losses, liabilities, claims, damages or expenses referred to therein, then each indemnifying party shall contribute to the aggregate amount of such losses, liabilities, claims, damages and expenses incurred by such indemnified party, as incurred, (i) in such proportion as is appropriate to reflect the relative benefits received by the Company, on the one hand, and the Underwriters, on the other hand, from the offering of the Securities pursuant to this Underwriting Agreement or (ii) if the allocation provided by clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company, on the one hand, and of the Underwriters, on the other hand, in connection with the statements or omissions which resulted in such losses, liabilities, claims, damages or expenses, as well as any other relevant equitable considerations.

The relative benefits received by the Company, on the one hand, and the Underwriters, on the other hand, in connection with the offering of the Securities under this Underwriting Agreement shall be deemed to be in the same respective proportions as the total net proceeds from the offering of such Securities (before deducting expenses) received by the Company bear to the total underwriting discounts and commissions received by the Underwriters, in each case as set forth in the table on the cover page of the Prospectus.

The relative fault of the Company, on the one hand, and the Underwriters, on the other hand, shall be determined by reference to, among other things, whether any such untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by the Company or by the Underwriters and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

The Company and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 7 were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to above in this Section 7.

Notwithstanding the provisions of this Section 7, no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the Securities underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages which such Underwriter has otherwise been required to pay by reason of any such untrue or alleged untrue statement or omission or alleged omission.

No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the 1933 Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation.

For purposes of this Section 7, each person, if any, who controls an Underwriter within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act shall have the same rights to contribution as such Underwriter, and each director of the Company, each officer of the Company who signed the Registration Statement, and each person, if any, who controls the Company within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act shall have the same rights to contribution as the Company. The Underwriters' respective obligations to contribute pursuant to this Section 7 are several in proportion to the aggregate principal amount of Securities set forth opposite their respective names in Schedule 1 hereto, and not joint.

8. Representations, Warranties and Agreements to Survive Delivery. All representations, warranties and agreements contained in this Underwriting Agreement or in certificates of officers of the Company or any of its subsidiaries submitted pursuant hereto shall remain operative and in full force and effect, regardless of any investigation made by or on behalf of any Underwriter or controlling person, or by or on behalf of the Company, and shall survive delivery of and payment for the Securities.

9. Termination.

(a) Underwriting Agreement. The Representatives may terminate this Underwriting Agreement, by notice to the Company, at any time at or prior to the Closing Time, if on or after the date hereof (i) there has occurred any material adverse change in the financial markets in the United States or any new outbreak of hostilities or escalation thereof involving the United States, in each case the effect of which is such as to make it, in the reasonable judgment of the Representatives, impracticable to market the Securities or to enforce contracts for the sale of the Securities, or (ii) trading in any securities of the Company has been suspended by the Commission or The Nasdaq Global Select Market (other than pursuant to a request by the Company with respect to an announcement by the Company of certain information not constituting a material adverse change, since the date of the Underwriting Agreement, in the consolidated financial condition or earnings of the Company and its subsidiaries, considered as one enterprise), the effect of which is such as to make it, in the reasonable judgment of the Representatives, impracticable to market the Securities or to enforce contracts for the sale of the Securities, or (iii) trading generally on the The Nasdaq Global Select Market or the New York Stock Exchange has been suspended or materially limited, or minimum or maximum prices for trading have been fixed, or maximum ranges for prices have been required, by such exchange or by such system or by order of the Commission or any other governmental authority, or (iv) a banking moratorium has been declared by either Federal or New York authorities.

(b) Liabilities. If this Underwriting Agreement is terminated pursuant to this Section 9, such termination shall be without liability of any party to any other party except as provided in Section 4 hereof, and provided further that Sections 6, 7, 8, this paragraph 9(b) and Section 13 hereof shall survive such termination and remain in full force and effect; provided, however, if any condition specified in Section 5 hereof shall not have been fulfilled when and as

required to be fulfilled, this Underwriting Agreement may be terminated by the Representatives by notice to the Company at any time at or prior to the Closing Time, and such termination shall be without liability of any other party except that (i) the Company shall reimburse the Underwriters for all their reasonable out of pocket expenses including the reasonable fees and expenses of counsel for the Underwriters and (ii) the provisions of Sections 6, 7, 8, this paragraph 9(b) and Section 13 hereof shall survive such termination and remain in full force and effect.

10. Default by One or More of the Underwriters. If one or more of the Underwriters shall fail at the Closing Time to purchase the Securities which it or they are obligated to purchase under this Underwriting Agreement (the “Defaulted Securities”), then the Representatives shall have the right, within 24 hours thereafter, to make arrangements for one or more of the non-defaulting Underwriters, or any other underwriters, to purchase all, but not less than all, of the Defaulted Securities in such amounts as may be agreed upon and upon the terms herein set forth; if, however, the Representatives shall not have completed such arrangements within such 24-hour period, then:

(a) if the number or aggregate principal amount, as the case may be, of Defaulted Securities does not exceed 10% of the aggregate principal amount of Securities set forth on Schedule 1 hereto, the non-defaulting Underwriters shall be obligated, severally and not jointly, to purchase the full amount thereof in the proportions that their respective underwriting obligations hereunder bear to the underwriting obligations of all non-defaulting Underwriters or in such other proportions as the Representatives may specify, or

(b) if the number or aggregate principal amount, as the case may be, of Defaulted Securities exceeds 10% of the aggregate principal amount of Securities set forth on Schedule 1 hereto, the non-defaulting Underwriters shall have the right to purchase all, but shall not be under any obligation to purchase any, of the Securities, and if such non-defaulting Underwriters do not purchase all the Securities, this Underwriting Agreement will terminate without liability to any non-defaulting Underwriter or the Company.

No action taken pursuant to this Section 10 shall relieve any defaulting Underwriter from liability in respect of its default.

In the event of any such default which does not result in a termination of this Underwriting Agreement, either the Representatives or the Company shall have the right to postpone the Closing Time for a period not exceeding seven days in order to effect any required changes in the Registration Statement or the Prospectus or in any other documents or arrangements.

11. Notices. All notices and other communications hereunder shall be in writing and shall be deemed to have been duly given if mailed, electronically transmitted or transmitted by any standard form of telecommunication to the parties hereto as follows:

12. Parties. This Underwriting Agreement shall inure to the benefit of and be binding upon the Company, the Representatives and the other Underwriters and their respective successors. Nothing expressed or mentioned in this Underwriting Agreement is intended or shall be construed to give any person, firm or corporation, other than the Underwriters and the Company and their respective successors and the controlling persons and officers and directors referred to in Sections 6 and 7 hereof and their heirs and legal representatives, any legal or equitable right, remedy or claim under or in respect of this Underwriting Agreement or any provision herein contained. This Underwriting Agreement and all conditions and provisions hereof are intended to be for the sole and exclusive benefit of the parties hereto and their respective successors, and said controlling persons and officers and directors and their heirs and legal representatives, and for the benefit of no other person, firm or corporation. No purchaser of Securities from any Underwriter shall be deemed to be a successor by reason merely of such purchase.

13. Recognition of the U.S. Special Resolution Regimes.

(a) In the event that any Underwriter that is a Covered Entity becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer from such Underwriter of this Underwriting Agreement, and any interest and obligation in or under this Underwriting Agreement, will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if this Underwriting Agreement, and any such interest and obligation, were governed by the laws of the United States or a state of the United States.

(b) In the event that any Underwriter that is a Covered Entity or a BHC Act Affiliate of such Underwriter becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under this Underwriting Agreement that may be exercised against such Underwriter are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if this Underwriting Agreement were governed by the laws of the United States or a state of the United States.

For purposes of this Section 13:

(i) “BHC Act Affiliate” has the meaning assigned to the term “affiliate” in, and shall be interpreted in accordance with, 12 U.S.C. § 1841(k);

(ii) “Covered Entity” means any of the following: (1) a “covered entity” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b); (2) a “covered bank” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or (3) a “covered FSI” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b);

(iii) “Default Right” has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable; and

(iv) “U.S. Special Resolution Regime” means each of (1) the Federal Deposit Insurance Act and the regulations promulgated thereunder and (2) Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act and the regulations promulgated thereunder.

14. No Fiduciary Relationship. The Company acknowledges and agrees that (i) the purchase and sale of the Securities pursuant to this Underwriting Agreement are entered into on an arm’s-length basis between the Company, on the one hand, and the several Underwriters, on the other, (ii) in connection therewith and with the process leading to such purchase and sale, each Underwriter is acting solely as a principal and not the agent or fiduciary of the Company, either before or after the date hereof, and (iii) no Underwriter has assumed an advisory or fiduciary responsibility in favor of the Company with respect to the offering contemplated hereby or the process leading thereto (irrespective of whether such Underwriter has advised or is currently advising the Company on other matters) or any other obligation to the Company except the obligations expressly set forth in this Underwriting Agreement. The Company and the

Underwriters agree that they are each responsible for making their own independent judgments with respect to any such transactions. The Company agrees that it will not claim that the Underwriters, or any of them, has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to the Company, in connection with such transactions or the process leading thereto.

15. Waiver of Jury Trial. Each party hereto hereby irrevocably waives, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Underwriting Agreement or the transactions contemplated hereby.

16. GOVERNING LAW. THIS UNDERWRITING AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO THE PRINCIPLES OF CONFLICTS OF LAWS THEREOF.

17. Effect of Headings. The Article and Section headings herein and the Table of Contents are for convenience only and shall not affect the construction hereof.

18. Counterparts. This Underwriting Agreement may be executed in two or more counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were on the same instrument. Counterparts may be delivered via facsimile, electronic mail (including any electronic signature covered by the U.S. federal ESIGN Act of 2000, Uniform Electronic Transactions Act, the Electronic Signatures and Records Act or other applicable law, e.g., www.docusign.com) or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes.

If the foregoing is in accordance with your understanding of our agreement, please sign and return to the Company a counterpart hereof, whereupon this Underwriting Agreement, along with all counterparts, will become a binding agreement among each of the Underwriters and the Company in accordance with its terms.

Very truly yours,

* It is expected that delivery of the 4.750% Senior Notes due 2025 and 4.950% Senior Notes due 2031 (together, the "Senior Notes") will be made against payment therefor in New York City on or about April 1, 2020, which will be the third business day following the date of pricing of the Senior Notes. Under Rule 15c6-

1 of the Securities Exchange Act of 1934, as amended, trades in the secondary market generally are required to settle in two business days, unless the parties to any such trade expressly agree otherwise. Accordingly, purchasers who wish to trade Senior Notes on any date prior to the date that is two business days before delivery will be required, by virtue of the fact that the Senior Notes initially will settle in three business days (T+3), to specify alternative settlement arrangements to prevent a failed settlement.

ViacomCBS Inc., a Delaware corporation (herein called the “Company,” which term includes any successor Person under the Indenture hereinafter referred to), for value received, hereby promises to pay to Cede & Co., or registered assigns, the principal sum of \$ _____ on May 15, 2025 at the office or agency of the Company referred to below, and to pay interest thereon on November 15, 2020, and semiannually in arrears thereafter, on May 15 and November 15 of each year (each, an “Interest Payment Date”), from April 1, 2020, or from the most recent Interest Payment Date to which interest has been paid or duly provided for, at the rate of 4.750% per annum, until the principal hereof is paid or duly provided for.

The interest so payable, and punctually paid or duly provided for, on any Interest Payment Date will, as provided in such Indenture, be paid, in immediately available funds, to the Person in whose name this Security (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest, which shall be the May 1 or November 1, as the case may be, preceding such Interest Payment Date. Any such interest not so punctually paid or duly provided for shall forthwith cease to be payable to the Holder on such Regular Record Date, and such Defaulted Interest, may be paid to the Person in whose name this Security (or one or more Predecessor Securities) is registered at the close of business on a Special Record Date for the payment of such Defaulted Interest to be fixed by the Trustee, notice whereof shall be given to Holders of Securities of this series not less than 10 days prior to such Special Record Date, or may be paid at any time in any other lawful manner, all as more fully provided in said Indenture.

Payment of the principal of and interest on this Security will be made at the Corporate Trust Office of the Trustee or such other office or agency of the Company as may be designated for such purpose, in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts; *provided, however*, that each installment of interest and principal on this Security may at the Company’s option be paid by check to the payee or in immediately available funds by transfer to an account maintained by the payee located in the United States.

Any payment of principal or interest required to be made on a day that is not a Business Day need not be made on such day, but may be made on the next succeeding Business Day and no interest shall accrue as a result of such delayed payment. For purposes of this Security, “Business Day” means any day that is not a Saturday or Sunday and that, in The City of New York, is not a day on which banking institutions are generally authorized or obligated by law or executive order to close.

General. This Security is one of a duly authorized issue of securities of the Company (herein called the “**Securities**”), unlimited in aggregate principal amount, issued and to be issued in one or more series under the Indenture, dated as of March 27, 2020, between the Company and Deutsche Bank Trust Company Americas, as trustee (the “**Trustee**”) (the “**Indenture**”), to which Indenture and the respective resolutions of the Company’s Board of Directors or resolutions pursuant to the authority of the Board of Directors, an Officer’s Certificate and/or indentures supplemental thereto, as the case may be, reference is hereby made for a statement of the respective rights, limitations of rights, duties, obligations and immunities thereunder of the Company, the Trustee and the Holders of the Securities of this series, and of the terms upon which the Securities of this series are, and are to be, authenticated and delivered. This Security is one of a series designated as 4.750% Senior Notes due 2025, limited in aggregate principal amount as of the date hereof to \$1,250,000,000.

Authorized Denominations. The Securities of this series are issuable only in registered form without coupons in minimum denominations of \$2,000 and in integral multiples of \$1,000.

Book-Entry Security. This Security is a Global Security and is being registered in the name of Cede & Co., as nominee of The Depository Trust Company (“**DTC**”). Subject to the terms of the Indenture, this Security will be held by DTC or its nominee, and beneficial interests will be held by beneficial owners through the book-entry facilities of DTC or its nominee in minimum denominations of \$2,000 and in integral multiples of \$1,000. As long as this Security is registered in the name of DTC or its nominee, the Trustee will make payments of principal of and interest on this Security by wire transfer of immediately available funds to DTC or its nominee. Notwithstanding the above, upon the maturity of this Security, the principal, together with accrued interest thereon, will be paid in immediately available funds upon surrender of this Security at the Corporate Trust Office of the Trustee or such other offices or agencies appointed by the Trustee for that purpose or such other locations provided in the Indenture.

Event of Default. If an Event of Default with respect to the Securities of this series shall occur and be continuing, the principal of the Securities of this series may be declared due and payable in the manner and with the effect provided in the Indenture.

Redemption and Maturity. The Securities of this series are not subject to any sinking fund and are subject to redemption prior to maturity as set forth below.

Optional Redemption. (a) At any time and from time to time on or after the Par Call Date, the Securities of this series may be redeemed, at the option of the Company, in whole or in part, at a Redemption Price equal to 100% of the principal amount of the Securities of this series to be redeemed, plus accrued and unpaid interest on the Securities of this series to be redeemed, if any, to, but not including, the Redemption Date. The Company will transmit notice of any such redemption at least 10 days, but not more than 45 days, before the Redemption Date to each Holder of the Securities of this series to be redeemed.

(b) At any time and from time to time prior to the Par Call Date, the Company may redeem some or all of the Securities of this series, at its option, on not less than 10 nor more than 45 days’ prior notice, at a Redemption Price equal to the sum of the principal amount, the

relevant Make-Whole Amount (defined below), if any, and any accrued and unpaid interest, if any, to, but not including, the Redemption Date. Holders on a Record Date that is on or prior to a Redemption Date will be entitled to receive interest due on the Interest Payment Date.

(c) The Make-Whole Amount will be calculated by an independent investment banking institution of national standing appointed by the Company. If the Reinvestment Rate is not available, the Reinvestment Rate will be calculated by interpolation or extrapolation of comparable rates selected by the independent investment banking institution. In no event shall the Trustee be responsible for calculating the Make-Whole Amount.

(d) On and after the Redemption Date, interest will cease to accrue on such Securities or any portion of the Securities called for redemption (unless the Company defaults in the payment of the Redemption Price and accrued interest). On or before the Redemption Date, the Company will deposit with the Trustee money sufficient to pay the Redemption Price of and (unless the Redemption Date shall be an Interest Payment Date) accrued and unpaid interest, if any, to, but not including, the Redemption Date on such Securities to be redeemed on such date. If less than all of the Securities of this series are to be redeemed, the Securities to be redeemed shall be selected in accordance with the procedures of the Depository or by such method as the Trustee shall deem appropriate.

Notice of any redemption of the Securities of this series in connection with a corporate transaction that is pending (including an equity offering, an incurrence of indebtedness or a change of control) may, at the Company's discretion, be given subject to one or more conditions precedent, including, but not limited to, completion of the transaction. If such redemption is so subject to satisfaction of one or more conditions precedent, such notice shall describe each such condition, and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied or otherwise waived by the redemption date. The Company shall notify Holders of any such rescission as soon as practicable after the Company determines that it will not be able to satisfy or otherwise waive such conditions precedent. Once notice of redemption is mailed or sent, subject to the satisfaction of any conditions precedent provided in the notice of redemption, the Securities of this series called for redemption will become due and payable on the Redemption Date and at the Redemption Price, plus accrued and unpaid interest, if any, to, but not including, the Redemption Date.

(e) Definitions.

"Make-Whole Amount" means the excess, if any, of (i) the aggregate present value as of the Redemption Date of the principal being redeemed and the amount of interest (exclusive of interest accrued to the Redemption Date) that would have been payable to the Par Call Date if redemption had not been made, determined by discounting, on a semi-annual basis, the remaining principal and interest at the respective Reinvestment Rate (defined below) (determined on the third business day preceding the Redemption Date) from the dates on which the principal and interest would have been payable on the Par Call Date, to the Redemption Date, over (ii) the aggregate principal amount of such Securities.

"Par Call Date" means April 15, 2025.

“Reinvestment Rate” means (i) the arithmetic mean of the yields published in the most recent Statistical Release under the caption “U.S. Government Securities—Treasury Constant Maturities” for the maturity (rounded to the nearest month) corresponding to the remaining life to the Par Call Date, as of the payment date of the principal being redeemed or paid (the “Treasury Yield”), plus (ii) 0.50%. If no maturity exactly corresponds to the Par Call Date, yields for the two published maturities most closely corresponding to the Par Call Date would be so calculated and the Reinvestment Rate would be interpolated or extrapolated on a straight-line basis, rounding to the nearest month. The most recent Statistical Release published prior to the date of determination of the Make-Whole Amount will be used for purposes of calculating the Reinvestment Rate.

“Statistical Release” means the statistical release designated “H.15” or any successor publication which is published daily by the Federal Reserve and which reports yields on actively traded U.S. government securities adjusted to constant maturities, or, if such statistical release is not published at the time of any determination, then such other reasonably comparable index which shall be designated by us.

Offers to Repurchase. (a) Unless the Company has previously exercised its right to redeem all the Securities of this series as described under “Optional Redemption” above, upon the occurrence of a Change of Control Repurchase Event (defined below) in respect of the Securities of this series, the Company will make an offer to each Holder of Securities of this series, as to which the Change of Control Repurchase Event has occurred to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of such Holder’s Securities of this series pursuant to the offer described below (the “Change of Control Offer”) at a purchase price equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest, if any, to, but not including, the date of purchase (the “Change of Control Price”). Within 30 days following any Change of Control Repurchase Event in respect of the Securities of this series or, at the Company’s option, prior to any Change of Control (defined below), but after the public announcement of the Change of Control, the Company will mail a notice to each Holder describing the transaction or transactions that constitute or may constitute the Change of Control Repurchase Event and offering to repurchase the Securities of this series on the payment date specified in the notice, which date will be no earlier than 30 days and no later than 60 days from the date such notice is mailed. The notice shall, if mailed prior to the date of consummation of the Change of Control, state that the offer to repurchase is conditioned on the Change of Control Repurchase Event occurring on or prior to the payment date specified in the notice.

(b) The Company will comply with the requirements of Rule 14e-1 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”) and any other securities laws and regulations to the extent those laws and regulations are applicable in connection with the repurchase of the Securities of this series as a result of a Change of Control Repurchase Event. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control Repurchase Event provisions of the Securities of this series, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the Change of Control Repurchase Event provisions of the Securities of this series by reason of such conflict.

(c) On the Change of Control Repurchase Event payment date, the Company will, to the extent lawful:

(1) accept for payment all Securities of this series or portions of Securities of this series properly tendered and not withdrawn pursuant to the Company's offer;

(2) deposit with the Paying Agent an amount equal to the aggregate purchase price in respect of all Securities of this series or portions of Securities of this series accepted for purchase; and

(3) deliver or cause to be delivered to the Trustee the Securities of this series accepted for purchase, together with an Officer's Certificate stating the aggregate principal amount of Securities of this series being purchased by the Company.

The Paying Agent will promptly pay, from funds deposited by the Company for such purpose, to each Holder of Securities of this series accepted for purchase, the purchase price for such Securities, and the Trustee will promptly authenticate and mail (or cause to be transferred by book-entry) to each holder a new Security equal in principal amount to any unpurchased portion of any Securities of this series surrendered.

(d) The Company will not be required to make an offer to repurchase the Securities of this series subject to any Change of Control Repurchase Event if a third party makes an offer in the manner, at the times and otherwise in compliance with the requirements for an offer made by the Company and such third party purchases all Securities of this series properly tendered and not withdrawn under its offer.

(e) Definitions.

(4) the consummation of a so-called “going private/Rule 13e-3 Transaction” that results in any of the effects described in paragraph (a)(3)(ii) of Rule 13e-3 under the Exchange Act (or any successor provision) with respect to each class of the Company’s common stock, following which Redstone Family Members beneficially own, directly or indirectly, more than 50% of the Company’s Voting Stock, measured by voting power rather than number of shares.

“Below Investment Grade Rating Event” with respect to the Securities of this series means that the Securities of this series becomes rated below Investment Grade by all of the Rating Agencies on any date from the date of the public notice of an arrangement that results in a Change of Control until the end of the 60-day period following public notice of the occurrence of a Change of Control (which period shall be extended so long as the rating of the Securities of this series is under publicly announced consideration for possible downgrade by any of the Rating Agencies); *provided* that a Below Investment Grade Rating Event otherwise arising by virtue of a particular reduction in rating shall not be deemed to have occurred in respect of a particular Change of Control (and thus shall not be deemed a Below Investment Grade Rating Event for purposes of the definition of Change of Control Repurchase Event hereunder) if the Rating Agencies making the reduction in rating to which this definition would otherwise apply do not announce or publicly confirm or inform the Trustee in writing at its request that the reduction was the result, in whole or in part, of any event or circumstance comprised of or arising as a result of, or in respect of, the applicable Change of Control (whether or not the applicable Change of Control shall have occurred at the time of the Below Investment Grade Rating Event).

“Change of Control Repurchase Event” means the occurrence of both a Change of Control and a Below Investment Grade Rating Event.

“Continuing Directors” means, as of any date of determination, any member of the Company’s Board of Directors who:

- (2) was nominated for election or elected to the Company’s Board of Directors (i) with the approval of Redstone Family Members representing not less than 50% of the Company’s Voting Stock, measured by voting power rather than number of shares, or (ii) with the approval of a majority of the Continuing Directors who

were members of the Company's Board at the time of such nomination or election.

"Investment Grade" means a rating of Baa3 or better by Moody's (or its equivalent under any successor rating categories of Moody's), BBB- or better by S&P (or its equivalent under any successor rating categories of S&P) or BBB- or better by Fitch (or its equivalent under any successor rating categories of Fitch) (or, in each case, if such Rating Agency ceases to rate the Securities of this series, as the case may be, for reasons outside of the Company's control, the equivalent investment grade credit rating from any Rating Agency selected by the Company as a replacement Rating Agency).

"Redstone Family Members" includes only the following persons: (i) Mr. Sumner Redstone, (ii) the estate of Mr. Redstone; (iii) each descendant of Mr. Redstone or spouse or former spouse of Mr. Redstone and their respective estates, guardians, conservators or committees; (iv) any spouse or former spouse of Mr. Redstone; (v) each "Family Controlled Entity" (as defined below); and (vi) the trustees, in their respective capacities as such, of each "Family Controlled Trust" (as defined below). The term "Family Controlled Trust" includes certain trusts existing on March 27, 2020 and any other trusts the primary beneficiaries of which are Redstone Family Members, spouses of Redstone Family Members and/or charitable organizations, *provided* that if the trust is a wholly charitable trust, more than 50% of the trustees of such trust consist of Redstone Family Members.

"Fitch" means Fitch Ratings, Ltd.

"Moody's" means Moody's Investors Service, Inc.

"Rating Agency" means:

"S&P" means S&P Global Ratings, a division of S&P Global Inc.

"Voting Stock" as applied to stock of any person, means shares, interests, participations or other equivalents in the equity interest (however designated) in such person having ordinary voting power for the election of a majority of the directors (or the equivalent) of

such person, other than shares, interests, participations or other equivalents having such power only by reason of the occurrence of a contingency.

Defeasance and Covenant Defeasance. The Indenture contains provisions for defeasance at any time of (a) the entire indebtedness of the Company on this Security and (b) certain restrictive covenants and the related Defaults and Events of Default, upon compliance by the Company with certain conditions set forth therein, which provisions apply to this Security.

Modification and Waivers; Obligations of the Company Absolute. The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each series. Such amendment may be effected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of not less than a majority in aggregate principal amount of the Outstanding Securities of each series affected thereby (all such series voting together as a single class). The Indenture also contains provisions permitting the Holders of not less than specified percentages in aggregate principal amount of the Outstanding Securities of each series, on behalf of the Holders of all the Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver shall be conclusive and binding upon the Holders of this Security and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange hereof or in lieu hereof whether or not notation of such consent or waiver is made upon this Security.

As set forth in, and subject to, the provisions of the Indenture, no Holder of any Security of this series will have any right to institute any proceeding with respect to the Indenture or for any remedy thereunder, unless such Holder shall have previously given to the Trustee written notice of a continuing Event of Default with respect to this series, the Holders of not less than 25% in principal amount of all Outstanding Securities of this series shall have made written request to, and offered indemnity reasonably satisfactory to, the Trustee to institute such proceeding as trustee, and the Trustee shall not have received from the Holders of a majority in principal amount of the Outstanding Securities of this series a direction inconsistent with such request and shall have failed to institute such proceeding within 60 days; *provided, however*, that such limitations do not apply to a suit instituted by the Holder hereof for the enforcement of payment of the principal of or interest on this Security on or after the respective due dates expressed herein.

No reference herein to the Indenture and no provision of this Security or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Security at the times, place, and rate, and in the coin or currency, herein prescribed.

Registration of Transfer or Exchange. As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Security will be registered on the Security Register of the Company or the Trustee upon surrender of this Security for registration of transfer at the office or agency of the Company or the Trustee maintained for such purpose at such office or agency as the Company or Trustee may designate, duly endorsed by, or

accompanied by a written instrument of transfer in form satisfactory to the Company, the Trustee and the Security Registrar duly executed by, the Holder hereof or his or her attorney duly authorized in writing, and thereupon one or more new Securities of this series of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

As provided in the Indenture and subject to certain limitations therein set forth, the Securities of this series are exchangeable for a like aggregate principal amount of Securities of this series and of a different authorized denomination, as requested by the Holder surrendering the same.

No service charge shall be made for any registration of transfer or exchange of Securities of this series, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to the time of due presentment of this Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Security is registered as the absolute owner hereof for all purposes, whether or not this Security be overdue, and none of the Company, the Trustee or any agent of the Company or the Trustee shall be affected by notice to the contrary.

This Security is a Global Security. If at any time the Depositary for this Global Security notifies the Company that it is unwilling or unable to continue as Depositary for such Global Security or if at any time the Depositary for such Global Security shall no longer be eligible under applicable law, the Company shall appoint a successor Depositary eligible under applicable law with respect to this Global Security. If a successor Depositary eligible under applicable law for this Global Security is not appointed by the Company within 90 days after the Company receives such notice or becomes aware of such ineligibility, the Company will execute, and the Trustee, upon receipt of the Company Order, Officer's Certificate and Opinion of Counsel for the authentication and delivery of definitive Registered Securities of Securities of this series and tenor, will authenticate and deliver such definitive Registered Securities of such series and tenor, in any authorized denominations, in an aggregate principal amount equal to the principal amount of this Global Security, in exchange for this Global Security.

Defined Terms. All terms used in this Security that are defined in the Indenture and are not otherwise defined herein shall have the meanings assigned to them in the Indenture.

Governing Law. This Security shall be governed by, and construed in accordance with, the laws of the State of New York.

Unless the certificate of authentication hereon has been duly executed by or on behalf of Deutsche Bank Trust Company Americas, as Trustee under the Indenture, or its successor thereunder, by the manual or facsimile signature of one of its authorized officers, this Security shall not be entitled to any benefit under the Indenture, or be valid or obligatory for any purpose.

IN WITNESS WHEREOF, the Company has caused this instrument to be duly executed.

ViacomCBS Inc., a Delaware corporation (herein called the “Company,” which term includes any successor Person under the Indenture hereinafter referred to), for value received, hereby promises to pay to Cede & Co., or registered assigns, the principal sum of \$ _____ on January 15, 2031 at the office or agency of the Company referred to below, and to pay interest thereon on July 15, 2020, and semiannually in arrears thereafter, on January 15 and July 15 of each year (each, an “Interest Payment Date”), from April 1, 2020, or from the most recent Interest Payment Date to which interest has been paid or duly provided for, at the rate of 4.950% per annum, until the principal hereof is paid or duly provided for.

The interest so payable, and punctually paid or duly provided for, on any Interest Payment Date will, as provided in such Indenture, be paid, in immediately available funds, to the Person in whose name this Security (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest, which shall be the January 1 or July 1, as the case may be, preceding such Interest Payment Date. Any such interest not so punctually paid or duly provided for shall forthwith cease to be payable to the Holder on such Regular Record Date, and such Defaulted Interest, may be paid to the Person in whose name this Security (or one or more Predecessor Securities) is registered at the close of business on a Special Record Date for the payment of such Defaulted Interest to be fixed by the Trustee, notice whereof shall be given to Holders of Securities of this series not less than 10 days prior to such Special Record Date, or may be paid at any time in any other lawful manner, all as more fully provided in said Indenture.

Payment of the principal of and interest on this Security will be made at the Corporate Trust Office of the Trustee or such other office or agency of the Company as may be designated for such purpose, in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts; *provided, however*, that each installment of interest and principal on this Security may at the Company’s option be paid by check to the payee or in immediately available funds by transfer to an account maintained by the payee located in the United States.

Any payment of principal or interest required to be made on a day that is not a Business Day need not be made on such day, but may be made on the next succeeding Business Day and no interest shall accrue as a result of such delayed payment. For purposes of this Security, “Business Day” means any day that is not a Saturday or Sunday and that, in The City of New York, is not a day on which banking institutions are generally authorized or obligated by law or executive order to close.

General. This Security is one of a duly authorized issue of securities of the Company (herein called the “**Securities**”), unlimited in aggregate principal amount, issued and to be issued in one or more series under the Indenture, dated as of March 27, 2020, between the Company and Deutsche Bank Trust Company Americas, as trustee (the “**Trustee**”) (the “**Indenture**”), to which Indenture and the respective resolutions of the Company’s Board of Directors or resolutions pursuant to the authority of the Board of Directors, an Officer’s Certificate and/or indentures supplemental thereto, as the case may be, reference is hereby made for a statement of the respective rights, limitations of rights, duties, obligations and immunities thereunder of the Company, the Trustee and the Holders of the Securities of this series, and of the terms upon which the Securities of this series are, and are to be, authenticated and delivered. This Security is one of a series designated as 4.950% Senior Notes due 2031, limited in aggregate principal amount as of the date hereof to \$1,250,000,000.

Authorized Denominations. The Securities of this series are issuable only in registered form without coupons in minimum denominations of \$2,000 and in integral multiples of \$1,000.

Book-Entry Security. This Security is a Global Security and is being registered in the name of Cede & Co., as nominee of The Depository Trust Company (“**DTC**”). Subject to the terms of the Indenture, this Security will be held by DTC or its nominee, and beneficial interests will be held by beneficial owners through the book-entry facilities of DTC or its nominee in minimum denominations of \$2,000 and in integral multiples of \$1,000. As long as this Security is registered in the name of DTC or its nominee, the Trustee will make payments of principal of and interest on this Security by wire transfer of immediately available funds to DTC or its nominee. Notwithstanding the above, upon the maturity of this Security, the principal, together with accrued interest thereon, will be paid in immediately available funds upon surrender of this Security at the Corporate Trust Office of the Trustee or such other offices or agencies appointed by the Trustee for that purpose or such other locations provided in the Indenture.

Event of Default. If an Event of Default with respect to the Securities of this series shall occur and be continuing, the principal of the Securities of this series may be declared due and payable in the manner and with the effect provided in the Indenture.

Redemption and Maturity. The Securities of this series are not subject to any sinking fund and are subject to redemption prior to maturity as set forth below.

Optional Redemption. (a) At any time and from time to time on or after the Par Call Date, the Securities of this series may be redeemed, at the option of the Company, in whole or in part, at a Redemption Price equal to 100% of the principal amount of the Securities of this series to be redeemed, plus accrued and unpaid interest on the Securities of this series to be redeemed, if any, to, but not including, the Redemption Date. The Company will transmit notice of any such redemption at least 10 days, but not more than 45 days, before the Redemption Date to each Holder of the Securities of this series to be redeemed.

(b) At any time and from time to time prior to the Par Call Date, the Company may redeem some or all of the Securities of this series, at its option, on not less than 10 nor more than 45 days’ prior notice, at a Redemption Price equal to the sum of the principal amount, the

relevant Make-Whole Amount (defined below), if any, and any accrued and unpaid interest, if any, to, but not including, the Redemption Date. Holders on a Record Date that is on or prior to a Redemption Date will be entitled to receive interest due on the Interest Payment Date.

(c) The Make-Whole Amount will be calculated by an independent investment banking institution of national standing appointed by the Company. If the Reinvestment Rate is not available, the Reinvestment Rate will be calculated by interpolation or extrapolation of comparable rates selected by the independent investment banking institution. In no event shall the Trustee be responsible for calculating the Make-Whole Amount.

(d) On and after the Redemption Date, interest will cease to accrue on such Securities or any portion of the Securities called for redemption (unless the Company defaults in the payment of the Redemption Price and accrued interest). On or before the Redemption Date, the Company will deposit with the Trustee money sufficient to pay the Redemption Price of and (unless the Redemption Date shall be an Interest Payment Date) accrued and unpaid interest, if any, to, but not including, the Redemption Date on such Securities to be redeemed on such date. If less than all of the Securities of this series are to be redeemed, the Securities to be redeemed shall be selected in accordance with the procedures of the Depository or by such method as the Trustee shall deem appropriate.

Notice of any redemption of the Securities of this series in connection with a corporate transaction that is pending (including an equity offering, an incurrence of indebtedness or a change of control) may, at the Company's discretion, be given subject to one or more conditions precedent, including, but not limited to, completion of the transaction. If such redemption is so subject to satisfaction of one or more conditions precedent, such notice shall describe each such condition, and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied or otherwise waived by the redemption date. The Company shall notify Holders of any such rescission as soon as practicable after the Company determines that it will not be able to satisfy or otherwise waive such conditions precedent. Once notice of redemption is mailed or sent, subject to the satisfaction of any conditions precedent provided in the notice of redemption, the Securities of this series called for redemption will become due and payable on the Redemption Date and at the Redemption Price, plus accrued and unpaid interest, if any, to, but not including, the Redemption Date.

(e) Definitions.

“Make-Whole Amount” means the excess, if any, of (i) the aggregate present value as of the Redemption Date of the principal being redeemed and the amount of interest (exclusive of interest accrued to the Redemption Date) that would have been payable to the Par Call Date if redemption had not been made, determined by discounting, on a semi-annual basis, the remaining principal and interest at the respective Reinvestment Rate (defined below) (determined on the third business day preceding the Redemption Date) from the dates on which the principal and interest would have been payable on the Par Call Date, to the Redemption Date, over (ii) the aggregate principal amount of such Securities.

“Par Call Date” means October 15, 2030.

“Reinvestment Rate” means (i) the arithmetic mean of the yields published in the most recent Statistical Release under the caption “U.S. Government Securities—Treasury Constant Maturities” for the maturity (rounded to the nearest month) corresponding to the remaining life to the Par Call Date, as of the payment date of the principal being redeemed or paid (the “Treasury Yield”), plus (ii) 0.50%. If no maturity exactly corresponds to the Par Call Date, yields for the two published maturities most closely corresponding to the Par Call Date would be so calculated and the Reinvestment Rate would be interpolated or extrapolated on a straight-line basis, rounding to the nearest month. The most recent Statistical Release published prior to the date of determination of the Make-Whole Amount will be used for purposes of calculating the Reinvestment Rate.

“Statistical Release” means the statistical release designated “H.15” or any successor publication which is published daily by the Federal Reserve and which reports yields on actively traded U.S. government securities adjusted to constant maturities, or, if such statistical release is not published at the time of any determination, then such other reasonably comparable index which shall be designated by us.

Offers to Repurchase. (a) Unless the Company has previously exercised its right to redeem all the Securities of this series as described under “Optional Redemption” above, upon the occurrence of a Change of Control Repurchase Event (defined below) in respect of the Securities of this series, the Company will make an offer to each Holder of Securities of this series, as to which the Change of Control Repurchase Event has occurred to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of such Holder’s Securities of this series pursuant to the offer described below (the “Change of Control Offer”) at a purchase price equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest, if any, to, but not including, the date of purchase (the “Change of Control Price”). Within 30 days following any Change of Control Repurchase Event in respect of the Securities of this series or, at the Company’s option, prior to any Change of Control (defined below), but after the public announcement of the Change of Control, the Company will mail a notice to each Holder describing the transaction or transactions that constitute or may constitute the Change of Control Repurchase Event and offering to repurchase the Securities of this series on the payment date specified in the notice, which date will be no earlier than 30 days and no later than 60 days from the date such notice is mailed. The notice shall, if mailed prior to the date of consummation of the Change of Control, state that the offer to repurchase is conditioned on the Change of Control Repurchase Event occurring on or prior to the payment date specified in the notice.

(b) The Company will comply with the requirements of Rule 14e-1 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”) and any other securities laws and regulations to the extent those laws and regulations are applicable in connection with the repurchase of the Securities of this series as a result of a Change of Control Repurchase Event. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control Repurchase Event provisions of the Securities of this series, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the Change of Control Repurchase Event provisions of the Securities of this series by reason of such conflict.

(c) On the Change of Control Repurchase Event payment date, the Company will, to the extent lawful:

(1) accept for payment all Securities of this series or portions of Securities of this series properly tendered and not withdrawn pursuant to the Company's offer;

(2) deposit with the Paying Agent an amount equal to the aggregate purchase price in respect of all Securities of this series or portions of Securities of this series accepted for purchase; and

(3) deliver or cause to be delivered to the Trustee the Securities of this series accepted for purchase, together with an Officer's Certificate stating the aggregate principal amount of Securities of this series being purchased by the Company.

The Paying Agent will promptly pay, from funds deposited by the Company for such purpose, to each Holder of Securities of this series accepted for purchase, the purchase price for such Securities, and the Trustee will promptly authenticate and mail (or cause to be transferred by book-entry) to each holder a new Security equal in principal amount to any unpurchased portion of any Securities of this series surrendered.

(d) The Company will not be required to make an offer to repurchase the Securities of this series subject to any Change of Control Repurchase Event if a third party makes an offer in the manner, at the times and otherwise in compliance with the requirements for an offer made by the Company and such third party purchases all Securities of this series properly tendered and not withdrawn under its offer.

(e) Definitions.

(4) the consummation of a so-called “going private/Rule 13e-3 Transaction” that results in any of the effects described in paragraph (a)(3)(ii) of Rule 13e-3 under the Exchange Act (or any successor provision) with respect to each class of the Company’s common stock, following which Redstone Family Members beneficially own, directly or indirectly, more than 50% of the Company’s Voting Stock, measured by voting power rather than number of shares.

“Below Investment Grade Rating Event” with respect to the Securities of this series means that the Securities of this series becomes rated below Investment Grade by all of the Rating Agencies on any date from the date of the public notice of an arrangement that results in a Change of Control until the end of the 60-day period following public notice of the occurrence of a Change of Control (which period shall be extended so long as the rating of the Securities of this series is under publicly announced consideration for possible downgrade by any of the Rating Agencies); *provided* that a Below Investment Grade Rating Event otherwise arising by virtue of a particular reduction in rating shall not be deemed to have occurred in respect of a particular Change of Control (and thus shall not be deemed a Below Investment Grade Rating Event for purposes of the definition of Change of Control Repurchase Event hereunder) if the Rating Agencies making the reduction in rating to which this definition would otherwise apply do not announce or publicly confirm or inform the Trustee in writing at its request that the reduction was the result, in whole or in part, of any event or circumstance comprised of or arising as a result of, or in respect of, the applicable Change of Control (whether or not the applicable Change of Control shall have occurred at the time of the Below Investment Grade Rating Event).

“Change of Control Repurchase Event” means the occurrence of both a Change of Control and a Below Investment Grade Rating Event.

“Continuing Directors” means, as of any date of determination, any member of the Company’s Board of Directors who:

- (2) was nominated for election or elected to the Company’s Board of Directors (i) with the approval of Redstone Family Members representing not less than 50% of the Company’s Voting Stock, measured by voting power rather than number of shares, or (ii) with the approval of a majority of the Continuing Directors who

"Investment Grade" means a rating of Baa3 or better by Moody's (or its equivalent under any successor rating categories of Moody's), BBB- or better by S&P (or its equivalent under any successor rating categories of S&P) or BBB- or better by Fitch (or its equivalent under any successor rating categories of Fitch) (or, in each case, if such Rating Agency ceases to rate the Securities of this series, as the case may be, for reasons outside of the Company's control, the equivalent investment grade credit rating from any Rating Agency selected by the Company as a replacement Rating Agency).

"Redstone Family Members" includes only the following persons: (i) Mr. Sumner Redstone, (ii) the estate of Mr. Redstone; (iii) each descendant of Mr. Redstone or spouse or former spouse of Mr. Redstone and their respective estates, guardians, conservators or committees; (iv) any spouse or former spouse of Mr. Redstone; (v) each "Family Controlled Entity" (as defined below); and (vi) the trustees, in their respective capacities as such, of each "Family Controlled Trust" (as defined below). The term "Family Controlled Entity" means (i) any not-for-profit corporation if more than 50% of its board of directors is composed of Redstone Family Members; (ii) any other corporation if more than 50% of the value of its outstanding equity is owned by Redstone Family Members; (iii) any partnership if more than 50% of the value of its partnership interests is owned by Redstone Family Members; and (iv) any limited liability or similar company if more than 50% of the value of the company is owned by Redstone Family Members. The term "Family Controlled Trust" includes certain trusts existing on March 27, 2020 and any other trusts the primary beneficiaries of which are Redstone Family Members, spouses of Redstone Family Members and/or charitable organizations, *provided* that if the trust is a wholly charitable trust, more than 50% of the trustees of such trust consist of Redstone Family Members.

"Fitch" means Fitch Ratings, Ltd.

"Moody's" means Moody's Investors Service, Inc.

"Rating Agency." means:

"S&P" means S&P Global Ratings, a division of S&P Global Inc.

"Voting Stock" as applied to stock of any person, means shares, interests, participations or other equivalents in the equity interest (however designated) in such person having ordinary voting power for the election of a majority of the directors (or the equivalent) of

such person, other than shares, interests, participations or other equivalents having such power only by reason of the occurrence of a contingency.

Defeasance and Covenant Defeasance. The Indenture contains provisions for defeasance at any time of (a) the entire indebtedness of the Company on this Security and (b) certain restrictive covenants and the related Defaults and Events of Default, upon compliance by the Company with certain conditions set forth therein, which provisions apply to this Security.

Modification and Waivers; Obligations of the Company Absolute. The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each series. Such amendment may be effected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of not less than a majority in aggregate principal amount of the Outstanding Securities of each series affected thereby (all such series voting together as a single class). The Indenture also contains provisions permitting the Holders of not less than specified percentages in aggregate principal amount of the Outstanding Securities of each series, on behalf of the Holders of all the Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver shall be conclusive and binding upon the Holders of this Security and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange hereof or in lieu hereof whether or not notation of such consent or waiver is made upon this Security.

As set forth in, and subject to, the provisions of the Indenture, no Holder of any Security of this series will have any right to institute any proceeding with respect to the Indenture or for any remedy thereunder, unless such Holder shall have previously given to the Trustee written notice of a continuing Event of Default with respect to this series, the Holders of not less than 25% in principal amount of all Outstanding Securities of this series shall have made written request to, and offered indemnity reasonably satisfactory to, the Trustee to institute such proceeding as trustee, and the Trustee shall not have received from the Holders of a majority in principal amount of the Outstanding Securities of this series a direction inconsistent with such request and shall have failed to institute such proceeding within 60 days; *provided, however*, that such limitations do not apply to a suit instituted by the Holder hereof for the enforcement of payment of the principal of or interest on this Security on or after the respective due dates expressed herein.

No reference herein to the Indenture and no provision of this Security or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Security at the times, place, and rate, and in the coin or currency, herein prescribed.

Registration of Transfer or Exchange. As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Security will be registered on the Security Register of the Company or the Trustee upon surrender of this Security for registration of transfer at the office or agency of the Company or the Trustee maintained for such purpose at such office or agency as the Company or Trustee may designate, duly endorsed by, or

accompanied by a written instrument of transfer in form satisfactory to the Company, the Trustee and the Security Registrar duly executed by, the Holder hereof or his or her attorney duly authorized in writing, and thereupon one or more new Securities of this series of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

As provided in the Indenture and subject to certain limitations therein set forth, the Securities of this series are exchangeable for a like aggregate principal amount of Securities of this series and of a different authorized denomination, as requested by the Holder surrendering the same.

No service charge shall be made for any registration of transfer or exchange of Securities of this series, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to the time of due presentment of this Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Security is registered as the absolute owner hereof for all purposes, whether or not this Security be overdue, and none of the Company, the Trustee or any agent of the Company or the Trustee shall be affected by notice to the contrary.

This Security is a Global Security. If at any time the Depositary for this Global Security notifies the Company that it is unwilling or unable to continue as Depositary for such Global Security or if at any time the Depositary for such Global Security shall no longer be eligible under applicable law, the Company shall appoint a successor Depositary eligible under applicable law with respect to this Global Security. If a successor Depositary eligible under applicable law for this Global Security is not appointed by the Company within 90 days after the Company receives such notice or becomes aware of such ineligibility, the Company will execute, and the Trustee, upon receipt of the Company Order, Officer's Certificate and Opinion of Counsel for the authentication and delivery of definitive Registered Securities of Securities of this series and tenor, will authenticate and deliver such definitive Registered Securities of such series and tenor, in any authorized denominations, in an aggregate principal amount equal to the principal amount of this Global Security, in exchange for this Global Security.

Defined Terms. All terms used in this Security that are defined in the Indenture and are not otherwise defined herein shall have the meanings assigned to them in the Indenture.

Governing Law. This Security shall be governed by, and construed in accordance with, the laws of the State of New York.

Unless the certificate of authentication hereon has been duly executed by or on behalf of Deutsche Bank Trust Company Americas, as Trustee under the Indenture, or its successor thereunder, by the manual or facsimile signature of one of its authorized officers, this Security shall not be entitled to any benefit under the Indenture, or be valid or obligatory for any purpose.

IN WITNESS WHEREOF, the Company has caused this instrument to be duly executed.

The documents described in the foregoing clauses (a) through (c) are collectively referred to herein as the “Opinion Documents.”

In our review of the Opinion Documents and other documents, we have assumed:

- (a) The genuineness of all signatures.
- (b) The authenticity of the originals of the documents submitted to us.
- (c) The conformity to authentic originals of any documents submitted to us as copies.

(d) As to matters of fact, the truthfulness of the representations made in the Underwriting Agreement and the other Opinion Documents and in certificates of public officials and officers of the Company.

(e) That each of the Opinion Documents is the legal, valid and binding obligation of each party thereto, other than the Company, enforceable against each such party in accordance with its terms.

(f) That the execution, delivery and performance by the Company of the Opinion Documents to which it is a party do not:

- (A) except with respect to Generally Applicable Law, violate any law, rule or regulation applicable to it; or
- (B) result in any conflict with or breach of any agreement or document binding on it.

(g) That, except with respect to Generally Applicable Law, no authorization, approval, consent or other action by, and no notice to or filing with, any governmental authority or regulatory body or any other third party is required for the due execution, delivery or performance by the Company of any Opinion Document to which it is a party or, if any such authorization, approval, consent, action, notice or filing is required, it has been duly obtained, taken, given or made and is in full force and effect.

We have not independently established the validity of the foregoing assumptions.

“Generally Applicable Law” means the federal law of the United States of America, and the law of the State of New York (including in each case the rules or regulations promulgated thereunder or pursuant thereto), that a New York lawyer exercising customary professional diligence would reasonably be expected to recognize as being applicable to the Company, the Opinion Documents or the transactions governed by the Opinion Documents, and for purposes of assumption paragraphs (f) and (g) above and our opinion below, the General Corporation Law of the State of Delaware. Without limiting the generality of the foregoing definition of Generally Applicable Law, the term “Generally Applicable Law” does not include any law, rule or regulation that is applicable to the Company, the Opinion Documents or such

transactions solely because such law, rule or regulation is part of a regulatory regime applicable to any party to any of the Opinion Documents or any of its affiliates due to the specific assets or business of such party or such affiliate.

Based upon the foregoing and upon such other investigation as we have deemed necessary and subject to the qualifications set forth below, we are of the opinion that the Securities have been duly authorized and executed by the Company and, when authenticated by the Trustee in accordance with the Indenture and delivered and paid for as provided in the Underwriting Agreement, the Securities will be legal, valid and binding obligations of the Company, enforceable against the Company in accordance with their terms and entitled to the benefits of the Indenture.

Our opinion expressed above is subject to the effect of (a) any applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors' rights generally (including without limitation all laws relating to fraudulent transfers) and (b) general principles of equity, including without limitation concepts of materiality, reasonableness, good faith and fair dealing (regardless of whether considered in a proceeding in equity or at law).

Our opinion is limited to Generally Applicable Law, and we do not express any opinion herein concerning any other law.

This opinion letter is rendered to you in connection with the transactions contemplated by the Opinion Documents.

This opinion letter speaks only as of the date hereof. We expressly disclaim any responsibility to advise you of any development or circumstance of any kind, including any change of law or fact, that may occur after the date of this opinion letter and which might affect the opinions expressed herein.

We hereby consent to the filing of this opinion letter as an exhibit to the Current Report on Form 8-K dated the date hereof filed by the Company and incorporated by reference into the Registration Statement on Form S-3ASR (File No. 333-237426) filed by the Company to effect the registration of the Securities under the Securities Act of 1933, as amended (the "Securities Act"), and to the use of our name under the heading "Legal Matters" in the prospectus constituting a part of such Registration Statement. In giving this consent, we do not hereby admit that we are in the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations of the Securities and Exchange Commission promulgated thereunder.

Very truly yours,
