CBS CORPORATION AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
(Tabular dollars in millions, except per share amounts)

1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Description of Business—CBS Corporation (the "Company" or "CBS Corp.") is comprised of the following segments: Television (CBS Television Network, Showtime Networks Inc. ("Showtime Networks"), CSTV Networks, Inc. ("CSTV Networks"), CBS Television Stations, CBS Paramount Network Television, CBS Television Distribution Group), Radio (CBS Radio), Outdoor (CBS Outdoor) and Publishing (Simon & Schuster). On June 30, 2006, the Company sold Paramount Parks to Cedar Fair, L.P. for \$1.24 billion. As a result, Paramount Parks is presented as a discontinued operation in the Consolidated Financial Statements. Prior periods have been reclassified to conform to this current presentation.

In May 2006, the Company announced that it will explore the divestiture of its radio stations in ten markets. To date, the Company has entered into agreements to sell the 29 radio stations in eight of those ten markets for a total of \$570 million in cash. These transactions are subject to customary closing conditions, including regulatory and other approvals.

The Separation—The separation of former Viacom Inc. ("Former Viacom") into two publicly traded entities, CBS Corp. and new Viacom Inc. ("Viacom Inc.") was completed on December 31, 2005 (the "Separation"). As a result, each outstanding share of Former Viacom class A common stock was converted into .5 of a share of CBS Corp. Class A Common Stock and .5 of a share of Viacom Inc. class A common stock and each outstanding share of Former Viacom class B common stock was converted into .5 of a share of CBS Corp. Class B Common Stock and .5 of a share of Viacom Inc. class B common stock. All prior period share and per share data have been adjusted to reflect this conversion.

The Separation was accounted for by the Company as a spin-off of Viacom Inc. Accordingly, the operations of Viacom Inc. are presented as discontinued operations in the accompanying Consolidated Statements of Operations for the three and nine months ended September 30, 2005. Included in discontinued operations for those periods are allocations of corporate expenses and Paramount Pictures corporate overhead including accounting, treasury, legal, human resources, information systems and other services, to reflect the utilization of such shared services and fixed assets by Viacom Inc. These allocations were made using specific identification of costs, assets and liabilities, and other relative percentages where specific identification was not determinable. In the opinion of management, the allocation methodologies are reasonable. The corporate expenses of CBS Corp. and Viacom Inc., operating as separate stand-alone entities, may have been different from those reflected in the Consolidated Statements of Operations for the three and nine months ended September 30, 2005.

For purposes of governing certain ongoing relationships between CBS Corp. and Viacom Inc. after the Separation and to provide for an orderly transition, the Company and Viacom Inc. entered into various agreements including a separation agreement (the "Separation Agreement"), tax matters agreement and transition services agreement.

Basis of Presentation—The accompanying unaudited Consolidated Financial Statements of the Company have been prepared pursuant to the rules of the Securities and Exchange Commission ("SEC"). These financial statements should be read in conjunction with the more detailed financial statements and notes thereto, included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2005.

In the opinion of management, the accompanying unaudited financial statements reflect all adjustments, consisting of only normal and recurring adjustments, necessary for a fair statement of the financial position, results of operations and cash flows of the Company for the periods presented. Certain previously reported amounts have been reclassified to conform with the current presentation.

CBS CORPORATION AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (continued)
(Tabular dollars in millions, except per share amounts)

Use of Estimates—The preparation of the Company's financial statements in conformity with generally accepted accounting principles in the United States requires management to make estimates, judgments and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of expenses during the reporting period. The Company bases its estimates on historical experience and on various other assumptions that are believed to be reasonable under the circumstances, the results of which form the basis for making judgments about the carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates under different assumptions or conditions.

Other Liabilities—Other liabilities consist primarily of residual liabilities of previously disposed businesses, program rights, participation liabilities, deferred compensation and other employee benefit accruals.

Net Earnings per Common Share—Basic earnings per share ("EPS") is based upon net earnings divided by the weighted average number of common shares outstanding during the period. Diluted EPS reflects the effect of the assumed exercise of stock options and vesting of restricted shares and restricted share units ("RSUs") only in the periods in which such effect would have been dilutive. For the three and nine months ended September 30, 2006, respectively, stock options to purchase 32.8 million and 36.6 million shares of CBS Corp. Class B Common Stock were outstanding but excluded from the calculation of diluted EPS because their inclusion would have been anti-dilutive. For the three and nine months ended September 30, 2005, respectively, stock options to purchase 66.3 million and 65.7 million shares of CBS Corp. Class B Common Stock were outstanding but excluded from the calculation of diluted EPS because their inclusion would have been anti-dilutive.

The table below presents a reconciliation of weighted average shares used in the calculations of basic and diluted EPS:

	Three Months Ended September 30,		Nine Months Ended September 30,

Additional Paid-In Capital—For the nine months ended September 30, 2006, the Company recorded dividends of \$413.1 million as a reduction to additional paid-in capital as the Company had an accumulated deficit balance.

Recent Pronouncements—In September 2006, the Financial Accounting Standards Board ("FASB") issued Statement of Financial Accounting Standards ("SFAS") No. 158 "Employers' Accounting for Defined Benefit Pension and Other Postretirement Plans—an amendment of FASB Statements No. 87, 88, 106, and 132(R)" ("SFAS 158"), effective for fiscal years ending after December 15, 2006. SFAS 158 requires the balance sheet recognition of the overfunded or underfunded status of a defined benefit postretirement plan as an asset or a liability along with a corresponding after-tax adjustment to accumulated other comprehensive income (loss) included in stockholders' equity.

The Company estimates the impact of the implementation of SFAS 158 as of December 31, 2006 will result in an after-tax reduction of approximately \$80 million to stockholders' equity. As the actual impact of adopting SFAS 158 will be dependent upon the fair value of plan assets and the amount of projected benefit obligations measured as of December 31, 2006, the above estimated impact on stockholders' equity may not be reflective of the actual impact of the adoption at December 31, 2006.

In September 2006, the FASB issued SFAS No. 157, "Fair Value Measurements" ("SFAS 157"), effective for fiscal years beginning after November 15, 2007 and interim periods within those fiscal years. SFAS 157 establishes a framework for measuring fair value under generally accepted accounting principles and expands disclosures about fair value measurement. The Company is currently evaluating the impact of the adoption of SFAS 157 on the Consolidated Financial Statements.

In September 2006, the SEC issued Staff Accounting Bulletin ("SAB") No. 108 ("SAB 108"), effective for fiscal years ending after November 15, 2006. SAB 108 provides interpretive guidance on how the effects of the carryover or reversal of prior year misstatements should be considered in quantifying a current year misstatement for the purpose of a materiality assessment. The Company does not anticipate the adoption of SAB 108 to have an effect on the Company's Consolidated Financial Statements.

In June 2006, the FASB issued FASB Interpretation No. 48, "Accounting for Uncertainty in Income Taxes—an interpretation of FASB Statement No. 109" ("FIN 48"), effective for fiscal years beginning after December 15, 2006. FIN 48 clarifies the accounting for uncertainty in income taxes recognized in a company's financial statements in accordance with SFAS No. 109, "Accounting for Income Taxes." FIN 48 prescribes a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. The Company is currently evaluating the impact of the adoption of FIN 48 on the Company's Consolidated Financial Statements.

2) STOCK-BASED COMPENSATION

The following table summarizes the Company's stock-based compensation expense for the three and nine months ended September 30, 2006 and 2005:

	Three Months Ended September 30,		Nine Months Ended September 30,	
	2006	2005	2006	2005

CBS CORPORATION AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (continued)
(Tabular dollars in millions, except per share amounts)

Effective January 1, 2006, the Company adopted SFAS No. 123 (revised 2004) "Share-Based Payment" ("SFAS 123R"). SFAS 123R requires companies to measure the cost of employee services received in exchange for an award of equity instruments based on the grant-date fair value of the award. That cost is recognized over the vesting period during which an employee is required to provide service in exchange for the award. The Company adopted SFAS 123R using the modified-prospective application method and, accordingly, recognizes compensation cost for stock-based compensation for all new or modified grants after the date of adoption. In addition, the Company recognizes the unvested portion of the grant-date fair value of awards granted prior to the adoption based on the fair values previously calculated for disclosure purposes. In accordance with this method of adoption, prior period results have not been restated.

Stock Options

Stock options generally vest over a three- to four-year service period and generally expire eight to ten years from the date of grant. Forfeitures are estimated on the date of grant based on historical forfeiture rates. On an annual basis, the Company adjusts the compensation expense based on actual forfeitures and revises the forfeiture rate as necessary.

Total unrecognized compensation cost related to unvested stock option awards at September 30, 2006 was approximately \$26.4 million, which is expected to be expensed over a weighted average period of 2.5 years.

The weighted-average fair value of each option as of the grant date was \$5.95 and \$10.29 for options granted during the nine months ended September 30, 2006 and 2005, respectively. The fair value of each option grant is estimated on the date of grant using the Black-Scholes option-pricing model with the following weighted-average assumptions:

	2006	2005
Expected dividend yield	2.67%	.77%
Expected stock price volatility	23.19%	24.00%
Risk-free interest rate	4.89%	3.91%
Expected life of options (years)	5.57	5.56

During 2006, when calculating expected stock price volatility, the Company placed exclusive reliance on implied volatility due to the limited amount of trading history for CBS Corp. Class B Common Stock. In addition, given the existence of an actively traded market for CBS Corp. options, the Company was able to derive implied volatility using publicly traded options to purchase CBS Corp. Class B Common Stock that were trading near the grant date of the employee stock options at a similar exercise price and a remaining term of greater than one year. Although there is an active market for these publicly traded CBS Corp. options, the Company believes that due to their short trading history, the volatility of these options alone may not be indicative of expected volatility. As a result, the expected stock price volatility was determined using an average of the implied volatility of these options and the implied volatility of publicly traded options for entities with similar business characteristics within the Company's industry.

The risk-free interest rate is based on a U.S. Treasury rate in effect on the date of grant with a term equal to the expected life. The expected term was determined based on historical employee exercise and post-vesting termination behavior. The expected dividend yield for 2006 is based on the current annual dividend rate. The Black-Scholes assumptions for grants during 2005 were based on characteristics related to shares of Former Viacom class B common stock.

Prior to the adoption of SFAS 123R, the Company followed the disclosure-only provisions of SFAS No. 123, "Accounting for Stock Based Compensation" ("SFAS 123"). The Company applied APB Opinion No. 25 "Accounting for Stock Issued to Employees" and, accordingly, did not recognize compensation expense for the stock option grants because the Company typically does not issue options at exercise prices below market value at date of grant.

Effective March 8, 2005, the vesting of certain unvested stock options granted from 1999 through 2004 was accelerated. Incremental after-tax expense of \$168.2 million in continuing operations and \$108.4 million in discontinued operations associated with the acceleration was reflected in the first quarter 2005 pro forma disclosure.

The following table reflects the effect on net earnings from continuing operations and earnings per share from continuing operations if the Company had applied the fair value recognition provisions of SFAS 123 to stock-based employee compensation for the three and nine months ended September 30, 2005.

	Three Months Ended September 30, 2005		Nine Months Ended September 30, 2005

Diluted earnings per share:				
Net earnings from continuing operations	\$.33	\$	1.08
Net earnings from continuing operations after option expense	\$.32	\$.80

If the Company had applied the fair value recognition provisions of SFAS 123, an incremental after-tax expense would have been recognized in discontinued operations for the three and nine months ended September 30, 2005 of \$3.2 million and \$139.9 million, respectively.

RSUs and Restricted Shares

Compensation expense for RSUs is determined based upon the market price of the shares underlying the awards on the grant date and expensed over the vesting period. RSUs generally vest over a three-to four-year service period. RSU awards granted to certain senior executives vest over a one- to four-year period based on the achievement of certain one-year performance criteria. Forfeitures are estimated on the date of grant based on historical forfeiture rates. On an annual basis, the Company adjusts the compensation expense based on actual forfeitures and revises the forfeiture rate as necessary.

Total unrecognized compensation cost related to non-vested restricted shares and RSUs at September 30, 2006 was approximately \$178.3 million, which is expected to be recognized over a weighted average period of 2.9 years.

Voluntary Exchange Offer

On June 1, 2006, the Company announced the completion of its Voluntary Exchange Offer ("VEO") which gave eligible employees the voluntary opportunity to tender their outstanding stock options to purchase shares of CBS Corp. Class B Common Stock in exchange for restricted shares (for eligible employees who are subject to United States income tax) or RSUs (for eligible employees who are not subject to United States income tax) of CBS Corp. Class B Common Stock having a value equal to 75% of the fair value attributed to the eligible options. For the restricted shares and RSUs issued in exchange for the fully vested options, no compensation expense was recorded. For the restricted shares and RSUs issued in exchange for unvested options, compensation expense was recorded based on the grant-date fair value of the options over the remaining vesting period. Employees who participated in the VEO made separate tendering decisions with respect to all of their stock options awarded prior to January 1, 2006 that were out-of-the-money (options with an exercise price equal to or greater than \$24.9340) and all of those that were in-the-money (options with an exercise price less than \$24.9340). Restricted shares and RSUs issued in connection with the VEO will vest in two equal annual installments on the second and third anniversaries of the date of grant, June 1, 2006, subject to forfeiture and other restrictions. As a result of the VEO, options to purchase 63.7 million shares of CBS Corp. Class B Common Stock were exchanged for 7.1 million restricted shares and .1 million RSUs.

Upon exercise of stock options or vesting of RSUs or restricted shares, the Company issues new shares from its existing authorization. The Company has reserved a total of 64,758,901 shares of CBS Corp. Class B Common Stock for future exercise of stock options and vesting of RSUs and restricted shares outstanding as of September 30, 2006. In the course of its business, the Company both provides and receives indemnities which are intended to allocate certain risks associated with business transactions. Similarly, the Company may remain contingently liable for various obligations of a business that has been divested in the event that a third party does not live up to its obligations under an indemnification obligation. The Company records a liability for its indemnification obligations and other contingent liabilities when probable under generally accepted accounting principles.

Legal Matters

Shareholder Derivative Lawsuits and Demands. Two shareholder derivative lawsuits, consolidated as *In re Viacom Shareholders Derivative Litigation*, were filed in July 2005 in New York State Supreme Court relating to executive compensation and alleged corporate waste. The actions name each member of Former Viacom's Board of Directors, Messrs. Tom Freston and Leslie Moonves (each of whom were executive officers of Former Viacom), and, as a nominal defendant, Former Viacom, alleging that the 2004 compensation of Messrs. Redstone, Freston, and Moonves was excessive and unwarranted and challenging the independence of certain Former Viacom directors. Mr. Redstone is the Company's Executive Chairman of the Board of Directors and Founder and Mr. Moonves is the Company's President and Chief Executive Officer. Mr. Freston is Viacom Inc.'s former President and Chief Executive Officer. Plaintiffs seek unspecified damages from the members of the Former Viacom Board of Directors for their alleged breach of fiduciary duties, disgorgement of the 2004 compensation paid to the above named officers of Former Viacom, equitable relief, and attorney fees and expenses. The Company moved to dismiss the complaints and oral argument was heard on February 16, 2006. On June 26, 2006, the court denied the Company's motion to dismiss. The Company has appealed that decision. Any liabilities in this matter adverse to the Company and/or Viacom Inc. will be shared equally between the Company and Viacom Inc. The Company believes that the plaintiffs' positions in these actions are without merit and it intends to vigorously defend itself in the litigation.

The Company has received shareholder demands seeking access to books and records of the Company relating to executive compensation paid to Sumner M. Redstone, Tom Freston and Leslie Moonves, accompanied by statements that such demands are in furtherance of an investigation of possible mismanagement, self-dealing and corporate waste by directors and officers of Former Viacom. Another shareholder demand seeking access to books and records relates to the compensation of Sumner M. Redstone and Mel Karmazin (former Chief Operating Officer of Former Viacom). One of the demands also seeks access to books and records of the Company relating to Sumner M. Redstone's acquisition of a controlling interest in Midway Games Inc. The Company intends to comply with all reasonable requests. Under the Separation Agreement between the Company and Viacom Inc., liabilities in connection with executive compensation claims relating to officers of Former Viacom are shared equally by the Company and Viacom Inc.

Claims Related to Former Businesses: Asbestos, Environmental and Other. The Company is a defendant in lawsuits claiming various personal injuries related to asbestos and other materials, which allegedly occurred principally as a result of exposure caused by various products manufactured by Westinghouse, a predecessor, generally prior to the early 1970s. Westinghouse was neither a producer nor a manufacturer of asbestos. The Company is typically named as one of a large number of defendants in both state and federal cases. In the majority of asbestos lawsuits, the plaintiffs have not identified which of the Company's products is the basis of a claim. Claims against the Company in which a product has been identified principally relate to exposures allegedly caused by asbestos-containing insulating material in turbines sold for power-generation, industrial and marine use, or by asbestos containing grades of decorative micarta, a laminate used in commercial ships.

Claims are frequently filed and/or settled in large groups, which may make the amount and timing of settlements, and the number of pending claims, subject to significant fluctuation from period to period. The Company does not report as pending those claims on inactive, stayed, deferred or similar dockets which some jurisdictions have established for claimants who allege minimal or no impairment. As of September 30, 2006, the Company had pending approximately 81,300 asbestos claims, as compared with approximately 101,170 as of December 31, 2005 and approximately 104,000 as of September 30, 2005. Of the claims pending as of September 30, 2006, approximately 57,600 were pending in state courts, 21,040 in federal courts and, additionally, approximately 2,660 were third party claims pending in state courts. During the third quarter of 2006, the Company received approximately 1,670 new claims and closed or moved to an inactive docket approximately 15,100 claims. The Company reports claims as closed when it becomes aware that a dismissal order has been entered by a court or when the Company has reached agreement with the claimants on the material terms of a settlement.

Settlement costs depend on the seriousness of the injuries that form the basis of the claim, the quality of evidence supporting the claims and other factors. To date, the Company has not been liable for any third party claims. The Company's total costs for the years 2005 and 2004 for settlement and defense of asbestos claims after insurance recoveries and net of tax benefits were approximately \$37.2 million and \$58.4 million, respectively. The Company's costs for settlement and defense of asbestos claims may vary year to year as insurance proceeds are not always recovered in the same period as the insured portion of the expenses. The Company believes that its reserves and insurance are adequate to cover its asbestos liabilities.

The Company from time to time receives claims from federal and state environmental regulatory agencies and other entities asserting that it is or may be liable for environmental cleanup costs and related damages principally relating to historical and predecessor operations of the Company. In addition, the Company from time to time receives personal injury claims including toxic tort and product liability claims (other than asbestos) arising from historical operations of the Company and its predecessors.

Payola. The Attorney General of the State of New York is conducting an investigation of record companies, radio stations and independent record promoters relating to the promotion and selection of music on radio stations, principally to determine whether radio stations have received undisclosed payments or other items of value that were tied to their decisions on what songs to play, a practice commonly known as "payola." In connection with this investigation, the Attorney General has entered into settlement agreements with EMI Music, Sony/BMG Music Entertainment, Universal Music Group and Warner Music Group Corp. The Attorney General has also filed a lawsuit against Entercom Communications Corp., which owns and operates radio stations in the State of New York, alleging that various arrangements with record companies and independent record promoters are, inter alia, deceptive business practices under New York law. On October 17, 2006, CBS Radio entered into a settlement with the Attorney General. Among other things, the settlement provides for the implementation of certain business reforms including the appointment of a CBS Radio compliance officer, additional payola compliance training and a \$2.0 million settlement payment to Rockefeller Philanthropy Advisors, which will distribute the money to non-profit organizations in New York State that support music education and appreciation. In connection with this settlement, CBS Radio did not admit to any liability or violations of law. In addition, the FCC, based on a review of information provided to it by the Attorney General, has initiated its own investigation of whether certain arrangements between radio stations and record companies and independent record promoters constitute "payola" in violation of the Communications Act. The FCC has issued a Letter of Inquiry to CBS Radio and three other large radio companies requesting additional information about these practices. CBS Radio intends to cooperate with the FCC in this investigation and is in the process of gathering the information requested by the FCC.

Indecency Regulation. On March 15, 2006, the FCC released certain decisions relating to indecency complaints against certain of the Company's owned television stations and affiliated stations. The FCC ruled in the Super Bowl proceeding and ordered the Company to pay a forfeiture of \$550,000. On May 31, 2006, the FCC denied the Company's petition for reconsideration. On July 28, 2006, the Company filed a Petition for Review of the forfeiture and denial of reconsideration with the U.S. Court of Appeals for the Third Circuit and paid the \$550,000 forfeiture under protest so that it could bring the appeal.

On March 15, 2006, the FCC also notified the Company and certain affiliates of the CBS Television Network of apparent liability for forfeitures relating to a broadcast of the program *Without a Trace*. The FCC proposed to assess a forfeiture totaling \$3.35 million for such matter; of that amount \$260,000 is against certain owned and operated stations and the remainder is against stations affiliated with the CBS Television Network. The Company is contesting the FCC decision and the proposed forfeitures. Also, on March 15, 2006, as part of an omnibus indecency order, the FCC ruled that a broadcast of *The Early Show* was indecent, but declined to issue a forfeiture. That decision and others are the subject of a petition for review filed in the U.S. Court of Appeals for the Second Circuit by the Company, as well as the other broadcast networks and their affiliate associations. On July 5, 2006, the FCC moved for a stay of the cases for 60 days and for a remand of the matter to the FCC for further proceedings. On September 7, 2006, the court granted the FCC's motion to remand the cases back to the FCC, and stayed enforcement of the omnibus indecency order for 60 days. Additionally, the Company, from time to time, has received and may receive in the future letters of inquiry from the FCC prompted by complaints alleging that certain programming on the Company's broadcasting stations included indecent material. In a separate matter, a new law increased the maximum forfeiture for a single indecency violation to \$325,000, with a maximum forfeiture exposure of \$3,000,000 for any continuing violation arising from a single act or failure to act, which amounts will be effective when the FCC issues implementing regulations.

On an ongoing basis, the Company defends itself in a multitude of lawsuits and proceedings and responds to various investigations and inquiries from federal, state and local authorities (collectively, "litigation"). Litigation is inherently uncertain and always difficult to predict. However, based on its understanding and evaluation of the relevant facts and circumstances, the Company believes that the above-described legal matters and other litigation to which it is a party are not likely, in the aggregate, to have a material adverse effect on its results of operations, financial position or cash flows. Under the Separation Agreement between the Company and Viacom Inc., Viacom Inc. has agreed to defend and indemnify the Company in certain litigation in which the Company is named.

13) RESTRUCTURING CHARGES

The CW, a new broadcast network and 50/50% joint venture with Warner Bros. Entertainment, was launched in September 2006. As a result, UPN ceased broadcasting its network schedule at the conclusion of the 2005/2006 broadcast season. In connection with the shutdown of UPN, a restructuring charge of \$24.0 million was recorded in selling, general and administrative expenses in the Television segment during the second quarter of 2006. The charge reflected costs associated with contract terminations of \$13.6 million and severance, legal and other expenses of \$10.4 million. The Company paid \$.9 million against the restructuring liabilities during the nine months ended September 30, 2006.

14) REPORTABLE SEGMENTS

The following tables set forth the Company's financial performance by reportable operating segment. The Company's reportable operating segments have been determined in accordance with the Company's internal management structure, which is organized based upon products and services. Paramount Parks, previously included in an all other category named Parks/Publishing, is presented as a discontinued operation (see Note 4). Prior periods have been reclassified to conform to this current presentation.

The Company presents Segment operating income before depreciation and amortization ("Segment OIBDA") as the primary measure of profit and loss for its operating segments. The Company believes the presentation of Segment OIBDA is relevant and useful for the investors because it allows investors to view segment performance in a manner similar to the primary method used by the Company's management and enhances their ability to understand the Company's operating performance.

Item 2. Management's Discussion and Analysis of Results of Operations and Financial Condition.
(Tabular dollars in millions)

Management's discussion and analysis of the results of operations and financial condition should be read in conjunction with the Consolidated Financial Statements and related Notes in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2005.

Recent Developments

In May 2006, CBS Corporation (the "Company" or "CBS Corp.") announced that it will explore the divestiture of its radio stations in ten markets. To date, the Company has entered into agreements to sell the 29 radio stations in eight of those ten markets for a total of \$570 million in cash. These transactions are subject to customary closing conditions, including regulatory and other approvals.

Separation

The separation of former Viacom Inc. ("Former Viacom") into two publicly traded entities, CBS Corp. and new Viacom Inc. ("Viacom Inc.") was completed on December 31, 2005 (the "Separation"). As a result, each outstanding share of Former Viacom class A common stock was converted into .5 of a share of CBS Corp. Class A Common Stock and .5 of a share of Viacom Inc. class A common stock and each outstanding share of Former Viacom class B common stock was converted into .5 of a share of CBS Corp. Class B Common Stock and .5 of a share of Viacom Inc. class B common stock. All prior period share and per share data have been adjusted to reflect this conversion. The results of Viacom Inc. have been presented as discontinued operations for the three and nine months ended September 30, 2005.

In connection with the Separation, CBS Corp. and Viacom Inc. entered into a separation agreement (the "Separation Agreement"). In accordance with the terms of the Separation Agreement, Viacom Inc. paid to the Company an estimated special dividend of \$5.4 billion in December 2005. Pursuant to the provisions of the Separation Agreement, the estimated special dividend is subject to adjustment. On March 14, 2006, the Company submitted to Viacom Inc. an adjustment to increase the estimated special dividend in the amount of approximately \$460 million. On May 5, 2006, Viacom Inc. paid to the Company the net undisputed amount of the dividend adjustment of \$167 million plus net interest of \$2.9 million. The remaining disputed amount of approximately \$293 million is subject to a resolution process as specified in the Separation Agreement.

Advertising sales decreased \$31.6 million, or 1%, to \$2.32 billion for the third quarter of 2006 and \$48.4 million, or 1%, to \$7.54 billion for the nine months ended September 30, 2006, primarily reflecting decreases at Radio and Television, partially offset by growth at Outdoor. Outdoor advertising growth of 9% for the third quarter and 7% for the nine-month period primarily reflected increases in North America of 9% for both the third quarter and the nine-month period and a 6% increase in Europe for the third quarter. Radio advertising revenues decreased 6% for the third quarter and 7% for the nine-month period reflecting declines in both average unit rates and units sold. Television advertising revenues decreased 3% and 1% for the third quarter and the nine-month period, respectively, principally due to the shutdown of UPN in September 2006 and the absence of the Primetime Emmy telecast in 2006, partially offset by strong political advertising sales at the television stations.

Television license fees increased \$31.6 million, or 7%, to \$459.0 million for the third quarter of 2006 and increased \$212.6 million, or 21%, to \$1.23 billion for the nine-month period primarily reflecting higher revenues from the domestic syndication sale of *CSI: Miami* and higher foreign syndication revenues, partially offset by lower network license fee revenues. For the nine months ended September 30, 2006, television license fees also reflected the second-cycle domestic syndication sale of *Frasier* in the first quarter of 2006 and the domestic syndication sale of *Without a Trace* in the second quarter of 2006.

**Management's Discussion and Analysis of
Results of Operations and Financial Condition**

Affiliate fees increased \$15.6 million, or 6%, to \$265.3 million for the third quarter and \$55.8 million, or 7%, to \$801.5 million for the nine months ended September 30, 2006 primarily driven by rate increases and subscriber growth at Showtime Networks Inc. ("Showtime Networks") as well as the inclusion of CSTV Networks, Inc. ("CSTV Networks") since its acquisition in January 2006.

Publishing revenues increased \$4.2 million, or 2%, to \$197.4 million for the third quarter of 2006, reflecting higher book sales and distribution fees. For the nine months ended September 30, 2006, Publishing revenues increased \$27.9 million, or 5%, to \$554.5 million, primarily reflecting higher sales in the Adult and International groups.

Home entertainment revenues decreased \$20.2 million, or 35%, to \$37.5 million in the third quarter of 2006 and decreased \$117.6 million, or 72%, to \$46.6 million for the nine-month period, primarily reflecting the switch from self-distribution in 2005 to third party distribution in 2006.

Other revenues, which include ancillary fees for Television and Radio operations and digital media, increased \$7.3 million, or 8%, to \$95.8 million for the third quarter of 2006. For the nine months ended September 30, 2006, other revenues decreased \$17.1 million, or 6%, to \$267.4 million, primarily reflecting lower revenues from the licensing and merchandising of Television product.

International Revenues

The Company generated approximately 12% and 11% of its total revenues from international regions for the three and nine months ended September 30, 2006, respectively, and 14% and 12% for the three and nine months ended September 30, 2005, respectively.

Management's Discussion and Analysis of Results of Operations and Financial Condition

For the three months ended September 30, 2006, operating expenses decreased \$26.9 million, or 1%, to \$1.92 billion. For the nine months ended September 30, 2006, operating expenses increased \$50.7 million, or 1%, to \$6.12 billion.

Programming expenses for the third quarter decreased \$81.3 million, or 11%, to \$626.8 million and for the nine months decreased \$110.3 million, or 4%, to \$2.39 billion primarily reflecting lower costs associated with primetime series at the broadcast networks, the shutdown of UPN and lower sports programming expenses at Radio.

Production expenses for the third quarter increased \$77.3 million, or 12%, to \$706.8 million and for the nine months increased \$184.1 million, or 11%, to \$1.93 billion primarily reflecting higher costs relating to the third quarter 2006 domestic syndication of *CSI: Miami* and for the nine months, higher costs associated with the first quarter 2006 domestic syndication of *Frasier*.

Outdoor operations expenses for the third quarter increased \$8.2 million, or 3%, to \$299.1 million and for the nine months, increased \$13.5 million, or 2%, to \$856.9 million primarily reflecting higher transit and billboard lease costs partially offset by the absence of 2005 hurricane costs.

Publishing operations expenses for the third quarter were flat at \$126.3 million. For the nine months ended September 30, 2006, Publishing operations expenses increased \$10.1 million, or 3%, to \$375.2 million, reflecting higher cost of book sales, partially offset by lower royalty expenses.

Other operating expenses for the third quarter decreased \$31.1 million, or 16%, to \$162.9 million and for the nine months decreased \$46.7 million, or 8%, to \$573.3 million primarily reflecting lower home entertainment distribution costs due to the switch from self-distribution in 2005 to third party distribution in 2006. For the nine-month period, this decrease was partially offset by higher costs associated with the digital media investment and expansion and employee-related costs.

Selling, General and Administrative Expenses

Selling, general and administrative ("SG&A") expenses, which include expenses incurred for selling and marketing costs, occupancy and back office support, increased \$9.0 million, or 1%, to \$701.0 million for the third quarter and increased \$92.2 million, or 5%, to \$2.06 billion, for the nine months ended September 30, 2006, primarily reflecting higher employee-related costs, including stock-based compensation, and the inclusion of CSTV Networks since its acquisition in January 2006. These increases were partially offset by lower expenses due to the shutdown of UPN, the absence of 2005 impairment charges from television station sales and a gain of \$11.6 million in the third quarter of 2006 on the sale of a building. The nine-month period also reflected \$24.0 million of UPN shutdown costs recorded in the second quarter of 2006 and the absence of a \$14.6 million gain recognized in the second quarter of 2005 on the sale of one of the Company's radio stations. Pension and post-retirement benefits increased \$7.1 million to \$51.1 million for the third quarter and increased \$32.6 million to \$165.0 million for the nine months ended September 30, 2006 versus the comparable prior-year period. The increases for both periods were primarily due to an increase in pension costs from the recognition of higher actuarial losses from the change in mortality rate assumption, and lower than expected plan asset performance in 2005, partially offset by lower post-retirement benefit costs reflecting the effect of a Medicare Part D subsidy. The nine-month period also reflected settlement costs related to an international pension plan. SG&A expenses as a percentage of revenues were 21% for the three months ended September 30, 2006 and 2005 and 20% and 19% for the nine months ended September 30, 2006 and 2005, respectively.

**Management's Discussion and Analysis of
Results of Operations and Financial Condition**

Depreciation and Amortization

For the three and nine months ended September 30, 2006, depreciation and amortization increased 1% to \$109.5 million and \$326.1 million, respectively, from the comparable prior-year periods.

Interest Expense

For the three and nine months ended September 30, 2006, interest expense decreased 19% to \$140.1 million and \$425.2 million, respectively, due to lower debt balances in 2006. In the fourth quarter of 2005, the Company received from Viacom Inc. a \$5.4 billion special cash dividend as a result of the Separation, which was used by the Company to repay outstanding commercial paper, debt outstanding under revolving credit facilities and certain fixed rate debt upon maturity in January 2006. In addition, certain fixed rate debt was repaid during 2005, upon maturity. The Company had approximately \$7.05 billion and \$10.37 billion of principal amount of debt outstanding (including current maturities) as of September 30, 2006 and 2005, respectively, at weighted average interest rates of 7.0% and 6.1%, respectively.

For the third quarter of 2006, the Company's effective income tax rate decreased to 38.7% from 45.5% in the third quarter of 2005, primarily reflecting lower foreign taxes and a tax benefit from the settlement of certain income tax audits. For the nine months ended September 30, 2006, the Company's effective tax rate of 31.7% decreased from 41.8% for the same prior-year period, primarily reflecting tax benefits of \$132.9 million from the settlement of certain income tax audits.

For the three and nine months ended September 30, 2006, equity in earnings (loss) of affiliated companies decreased \$10.7 million to a loss of \$6.1 million and \$16.4 million to a loss of \$3.1 million, respectively, principally reflecting operating losses from the Company's investment in The CW.

Minority Interest, Net of Tax

Net Earnings (Loss) from Discontinued Operations

Net earnings (loss) from discontinued operations for the three and nine months ended September 30, 2006 included losses on dispositions related to the Company's aircraft leases and for the nine-month period, also reflected the operating results and gain on the sale of Paramount Parks. For the three months ended September 30, 2006, Television revenues of \$2.2 billion decreased slightly versus the prior year as increases in television license fee revenues and affiliate revenues were more than offset by lower advertising and home entertainment revenues. For the nine months ended September 30, 2006, Television revenues increased \$91.9 million, or 1%, to \$6.93 billion primarily due to higher television license fee revenues and affiliate revenues partially offset by lower home entertainment and advertising revenues. Television license fee revenues increased 7% for the third quarter and 21% for the nine-month period principally due to the domestic syndication sale of *CSI: Miami* and higher foreign syndication revenues partially offset by lower network license fee revenues from the mix of available titles. The increase for the nine-month period also reflected revenues from the second-cycle domestic syndication of *Frasier* in the first quarter of 2006 and the domestic syndication of *Without a Trace* in the second quarter of 2006, partially offset by the absence of license fees from the prior year second-cycle cable renewal of *Everybody Loves Raymond*. Affiliate revenues increased 6% and 7% for the three and nine months ended September 30, 2006, respectively, principally due to rate increases and subscriber growth at Showtime Networks and the inclusion of CSTV Networks results since its acquisition in January 2006. Advertising revenues decreased 3% for the third quarter and 1% for the nine months ended September 30, 2006, principally due to the shutdown of UPN in September 2006 and the absence of the Primetime Emmy telecast in 2006, partially offset by strong political advertising sales at the television stations. The decreases in home entertainment revenues were principally due to the switch from self-distribution in 2005 to third party distribution in 2006.

For the three months ended September 30, 2006, Television operating income increased \$38.4 million, or 10%, to \$414.4 million and OIBDA increased \$36.1 million, or 9%, to \$457.1 million. For the nine months ended September 30, 2006, operating income increased \$37.4 million, or 3%, to \$1.29 billion from \$1.25 billion and OIBDA increased \$35.7 million, or 3%, to \$1.42 billion from \$1.38 billion. The increase for the third quarter is due to 2% lower expenses principally from the shutdown of UPN, lower costs associated with primetime series at the broadcast networks and the absence of \$18.9 million of impairment charges recorded in the third quarter of 2005 for the sale of two television stations partially offset by higher production costs associated with the domestic syndication of *CSI: Miami*. For the nine months, the increase reflects higher revenues partially offset by 1% higher expenses due to costs associated with the domestic syndication of *Frasier* and *CSI: Miami*, \$24.0 million of UPN shutdown costs and higher stock-based compensation, partially offset by the absence of \$28.9 million of impairment charges recorded during the nine months ended September 30, 2005 for the sale of four television stations and lower costs associated with primetime series at the broadcast networks. Included in total Television expenses is stock-based compensation of \$10.1 million and \$24.4 million for the three and nine months ended September 30, 2006, respectively, versus \$2.1 million and \$5.5 million for the same prior-year periods. Operating income as a percentage of revenues was 19% for both the three and nine months ended September 30, 2006, versus 17% and 18% for the same prior-year periods.

**Management's Discussion and Analysis of
Results of Operations and Financial Condition**

The CW, a 50/50% joint venture with Warner Bros. Entertainment, was launched in September 2006 and is being accounted for as an equity investment. As a result, UPN ceased broadcasting its network schedule at the conclusion of the 2005/2006 broadcast season. In connection with the shutdown of UPN, a restructuring charge of \$24.0 million was recorded in SG&A expenses in the Television segment during the second quarter of 2006. The charge reflected costs associated with contract terminations of \$13.6 million and severance, legal and other expenses of \$10.4 million. The Company paid \$.9 million against the restructuring liabilities during the nine months ended September 30, 2006.

On January 5, 2006, the Company completed the acquisition of CSTV Networks, a cable network and online digital sports media company, for a purchase price of \$325 million, comprised of 10.2 million shares of CBS Corp. Class B Common Stock and \$52 million in cash. The results of CSTV Networks have been included in the Television segment since its date of acquisition.

Radio *(CBS Radio)*

(Contributed 15% and 14% to consolidated revenues for the three and nine months ended September 30, 2006 and 16% and 15% for the comparable prior-year periods.)

	Three Months Ended September 30,		Nine Months Ended September 30,

OI as a % of revenues	40%	42%	40%	44%
Capital expenditures	\$ 7.9	\$ 8.9	\$ 32.3	\$ 25.7

For the three and nine months ended September 30, 2006, Radio revenues decreased \$33.9 million, or 6%, to \$508.1 million, and \$109.6 million, or 7%, to \$1.46 billion, respectively. The decreases reflected the weakness in the radio advertising market as well as the impact of programming changes at 27 owned radio stations. Radio advertising revenues decreased 6% for the quarter and 7% for the nine months due to decreases in the average unit rates and units sold. Radio receives affiliation and other fees and consideration for management services provided to Westwood One, an affiliated company. Revenues from these arrangements were approximately \$15.6 million and \$45.4 million for the three and nine months ended September 30, 2006 versus \$15.2 million and \$47.7 million for the comparable prior-year periods.

**Management's Discussion and Analysis of
Results of Operations and Financial Condition**

For the three months ended September 30, 2006, Radio operating income decreased \$23.5 million, or 10%, to \$201.7 million and OIBDA decreased \$22.4 million, or 10%, to \$210.2 million. For the nine months, operating income decreased \$103.7 million, or 15%, to \$583.9 million and OIBDA decreased \$101.6 million, or 14%, to \$608.7 million. These decreases are due primarily to the revenue decline noted above partially offset by lower expenses. Operating expenses decreased \$5.3 million, or 4%, for the quarter and \$8.5 million, or 2%, for the nine months due primarily to lower sports programming expenses partially offset by higher compensation expense. SG&A expenses decreased \$6.2 million, or 4%, for the quarter and increased slightly for the nine months reflecting an \$11.6 million gain on the sale of a building recognized in the third quarter of 2006, partially offset by higher compensation expense. The 2006 nine-month period also reflected the absence of a \$14.6 million gain recognized in the second quarter of 2005 on the sale of one of the Company's radio stations. The increase in compensation expense reflected higher stock-based compensation and severance costs relating to the elimination of more than 100 staff positions in the beginning of the third quarter of 2006. Included in total Radio expenses is stock-based compensation of \$3.8 million and \$9.2 million for the three and nine months ended September 30, 2006, respectively, versus \$.7 million and \$1.8 million for the same prior-year periods. Operating income as a percentage of revenues was 40% and 42% for the three months ended September 30, 2006 and 2005, respectively, and 40% and 44% for the nine months ended September 30, 2006 and 2005, respectively.

For the remainder of 2006, the Company anticipates that Radio revenues and operating income will continue to be adversely impacted, similar to the impact during the first nine months of 2006, by the weakness in the radio advertising market and the programming changes at 27 owned radio stations. In July 2006, Radio took initiatives to reduce its cost structure by eliminating more than 100 staff positions. Also, on May 23, 2006, the Company announced that it is exploring the divestiture of certain radio stations in ten of its smaller markets. To date, the Company has entered into agreements to sell the 29 radio stations in eight of those ten markets for a total of \$570 million in cash. These transactions are subject to customary closing conditions, including regulatory and other approvals.

Management's Discussion and Analysis of Results of Operations and Financial Condition

For the three and nine months ended September 30, 2006, Outdoor revenues increased \$42.7 million, or 9%, to \$536.2 million, and \$100.9 million, or 7%, to \$1.52 billion, respectively. For the third quarter, the revenue increase reflected 9% growth in North America and 6% growth in Europe, with the U.K. up 16%. North America reflected growth of 9% in the U.S., with U.S. billboards up 13%, 6% in Canada and 7% in Mexico for the quarter. For the nine months, Outdoor's revenue increase was driven by 9% growth in North America, reflecting growth of 9% in the U.S., 11% in Canada and 16% in Mexico. The favorable net impact of foreign exchange rate fluctuations on Outdoor revenues was approximately \$10 million and \$1 million for the three and nine months ended September 30, 2006, respectively. Approximately 43% of Outdoor's revenues were generated from international regions for the three months ended September 30, 2006 and 2005, and 44% and 45% for the nine months ended September 30, 2006 and 2005, respectively.

For the three months ended September 30, 2006, Outdoor operating income increased \$22.6 million, or 34%, to \$88.5 million and OIBDA increased \$23.9 million, or 20%, to \$142.1 million. For the nine months ended September 30, 2006, operating income increased \$76.8 million, or 47%, to \$240.9 million and OIBDA increased \$78.8 million, or 24%, to \$401.2 million. For the third quarter and nine months, the increase in operating income and OIBDA reflected the revenue increases noted above, partially offset by higher expenses. Operating expenses increased \$8.2 million, or 3%, for the quarter and \$13.5 million, or 2%, for the nine months due primarily to higher transit and billboard lease costs partially offset by the absence of the impact of hurricanes Katrina and Rita in 2005. SG&A expenses increased \$10.5 million, or 12%, for the quarter and \$8.6 million, or 3%, for the nine months due primarily to higher employee-related costs partially offset by lower professional fees. Operating and SG&A expenses for the third quarter were also negatively affected by the impact of foreign exchange. Included in total Outdoor expenses is stock-based compensation of \$1.1 million and \$2.5 million for the three and nine months ended September 30, 2006, respectively, versus \$1.1 million and \$.4 million for the same prior-year periods. Operating income as a percentage of revenues was 17% and 13% for the three months ended September 30, 2006 and 2005, respectively, and 16% and 12% for the nine months ended September 30, 2006 and 2005, respectively.

For the three and nine months ended September 30, 2006, Publishing revenues increased \$4.2 million, or 2%, to \$197.4 million, and \$27.9 million, or 5%, to \$554.5 million, respectively. For the quarter, the increase in revenues reflected higher book sales and distribution fees. For the nine months, the increase was principally driven by higher sales from the Adult and International groups, with top-selling titles such as *State of Denial* by Bob Woodward and *Two Little Girls in Blue* by Mary Higgins Clark.

Management's Discussion and Analysis of Results of Operations and Financial Condition

For the three months ended September 30, 2006, Publishing operating income decreased \$3.0 million, or 13%, to \$20.3 million and OIBDA decreased \$2.6 million, or 10%, to \$22.7 million, reflecting higher expenses partially offset by higher revenues. For the nine months, operating income increased \$.1 million to \$32.2 million and OIBDA increased \$.6 million, or 2%, to \$39.1 million, reflecting the revenue increase noted above partially offset by higher expenses. Operating expenses were relatively flat for the quarter and increased \$10.1 million, or 3%, for the nine months due primarily to higher cost of sales relating to the revenue increase partially offset by lower royalty expenses. SG&A expenses increased \$6.7 million, or 16%, for the quarter and \$17.2 million, or 14%, for the nine months primarily reflecting an increase of \$6.0 million to the allowance for doubtful accounts and higher advertising and selling expenses and for the nine-month period, also reflects higher employee-related costs. Included in total Publishing expenses is stock-based compensation of \$.5 million and \$1.3 million for the three and nine months ended September 30, 2006, respectively, versus \$.1 million and \$.4 million for the same prior-year periods. Operating income as a percentage of revenues was 10% and 12% for the three months ended September 30, 2006 and 2005, respectively, and 6% for each of the nine months ended September 30, 2006 and 2005.

Financial Position

Current assets increased \$1.08 billion to \$7.87 billion at September 30, 2006 from \$6.80 billion at December 31, 2005 primarily due to increases in cash and cash equivalents, partially offset by decreases in receivables and programming and other inventory due to the timing of receivable collections and investment in programming. The increase in cash and cash equivalents principally reflected the sale of Paramount Parks and strong year-to-date cash flow from operations, partially offset by the repayment of debt and dividend payments. The allowance for doubtful accounts as a percentage of receivables was 5.4% at September 30, 2006 compared with 5.1% at December 31, 2005.

Net property and equipment decreased \$31.4 million to \$2.71 billion at September 30, 2006 from \$2.74 billion at December 31, 2005, primarily reflecting depreciation expense of \$251.3 million, partially offset by capital expenditures of \$195.7 million, additional property and equipment from acquisitions of \$13.5 million and the impact of foreign exchange.

Goodwill increased \$365.1 million to \$18.99 billion at September 30, 2006 from \$18.63 billion at December 31, 2005, primarily reflecting the acquisition of CSTV Networks and the impact of foreign exchange.

Other assets decreased \$657.4 million to \$1.81 billion at September 30, 2006 from \$2.47 billion at December 31, 2005, primarily due to the sale of Paramount Parks, which was presented as a discontinued operation at December 31, 2005.

Current liabilities decreased \$1.13 billion to \$4.25 billion at September 30, 2006 from \$5.38 billion at December 31, 2005 primarily due to a decrease in the current portion of long-term debt from the repayment of senior notes and a decrease in accounts payable due to the timing of payments.

Other liabilities decreased \$191.1 million to \$4.14 billion at September 30, 2006 from \$4.34 billion at December 31, 2005, primarily due to the sale of Paramount Parks, which was presented as a discontinued operation at December 31, 2005.

Cash provided by operating activities from continuing operations of \$1.82 billion for the nine months ended September 30, 2006, increased \$250.3 million, or 16%, from \$1.57 billion in the same prior-year period reflecting an increase in earnings from continuing operations, lower net cash interest resulting from a reduction in debt in 2006 as well as a higher cash balance, and higher cash inflows from net changes in operating assets and liabilities.

Cash paid for income taxes from continuing operations for the nine months ended September 30, 2006 was \$452.5 million versus \$457.8 million for the nine months ended September 30, 2005.

Cash flow from operating activities attributable to discontinued operations for the nine months ended September 30, 2006 and 2005 reflects the operating cash flows of Paramount Parks. The 2005 nine-month period also reflects the operating cash flows of Viacom Inc. prior to its separation from the Company.

Investing Activities. Cash provided by investing activities of \$970.9 million for the nine months ended September 30, 2006, principally reflected proceeds of \$1.24 billion from the sale of Paramount Parks and net receipts from Viacom Inc. related to the Separation of \$28.4 million. These increases were partially offset by capital expenditures of \$195.7 million, acquisitions of \$75.3 million, primarily consisting of the acquisition of CSTV Networks and Outdoor advertising properties, and investment in affiliated companies of \$48.6 million principally consisting of the Company's investment in The CW. Cash used for investing activities from continuing operations of \$261.4 million for the nine months ended September 30, 2005, principally reflected acquisitions of \$320.8 million, primarily consisting of the acquisition of KOVR-TV, and capital expenditures of \$194.8 million, partially offset by proceeds from dispositions of \$255.8 million, principally from the sales of a radio station, two television stations and the Company's interest in Marketwatch.com, Inc.

Financing Activities. Cash used for financing activities of \$1.16 billion for the nine months ended September 30, 2006, principally reflected the repayment of notes of \$832.0 million and dividend payments of \$365.8 million, partially offset by proceeds from the exercise of stock options of \$58.0 million. Cash used for financing from continuing operations of \$2.78 billion for the nine months ended September 30, 2005, primarily reflected the purchase of Company Common Stock of \$3.60 billion, the repayment of notes of \$1.42 billion and dividend payments of \$341.7 million, partially offset by the net proceeds from bank borrowings of \$2.44 billion and cash proceeds from the exercise of stock options of \$153.0 million.

Cash Dividends and Share Purchase Program

On August 14, 2006, the Company announced an 11% increase in the quarterly cash dividend to \$.20 per share on CBS Corp. Class A and Class B Common Stock. The dividend of \$153.2 million was paid on October 1, 2006 to stockholders of record at the close of business on August 31, 2006. Year-to-date through October 1, 2006, the Company paid \$519.0 million to stockholders.

The Company has not made any purchases under its stock purchase program during the nine months ended September 30, 2006. For the nine months ended September 30, 2005, on a trade date basis, the Company purchased approximately 51.1 million shares of its Class B Common Stock for \$3.6 billion under its \$8.0 billion stock purchase program.

Capital Structure

The following table sets forth the Company's long-term debt:

	At September 30, 2006	At December 31, 2005
Notes payable to banks	\$ 3.3	\$ 7.2
Senior debt (4.625%—8.875% due 2006—2051)	7,007.7	7,919.9
Other notes	.8	1.0
Obligations under capital leases	119.0	125.4
Total debt	7,130.8	8,053.5
Less discontinued operations debt ^(a)	83.0	153.2
Less current portion of long-term debt	14.8	747.1
Total long-term debt from continuing operations, net of current portion	\$ 7,033.0	\$ 7,153.2

(a) Included in "Other liabilities" on the Consolidated Balance Sheets.

The Company's total debt includes (i) an aggregate unamortized premium of \$29.8 million and \$31.8 million and (ii) the decrease in the carrying value of the debt, since inception, relating to fair value hedges of \$16.7 million and \$8.5 million as of September 30, 2006 and December 31, 2005, respectively.

The senior debt of CBS Corp. is fully and unconditionally guaranteed by its wholly owned subsidiary, CBS Operations Inc. (formerly known as Viacom International Inc.). Senior debt in the amount of \$52.2 million in the Company's wholly owned subsidiary, CBS Broadcasting Inc., is not guaranteed.

On January 30, 2006, the Company redeemed, at maturity, all of the outstanding 6.4% senior notes for \$800.0 million.

During the nine months ended September 30, 2006, the Company repurchased \$52.2 million of its 7.70% senior notes due 2010 and \$50.0 million of its 6.625% senior notes due 2011, resulting in a loss on early extinguishment of debt of \$6.0 million for the nine months ended September 30, 2006.

Credit Facility

As of September 30, 2006, the Company had a \$3.0 billion revolving credit facility due December 2010 (the "Credit Facility"), primarily to support commercial paper borrowings. At September 30, 2006, the Company had no commercial paper borrowings and was in compliance with all covenants under the Credit Facility, including the requirement that the Company maintain a minimum coverage ratio. As of September 30, 2006, the remaining availability under this Credit Facility, net of outstanding letters of credit, was \$2.76 billion.

At September 30, 2006, the Company classified \$699.2 million of senior notes as long-term debt, reflecting its intent and ability to refinance this debt on a long-term basis.

Accounts Receivable Securitization Programs

As of September 30, 2006, the Company had an aggregate of \$550.0 million outstanding under revolving receivable securitization programs. The programs result in the sale of receivables on a non-recourse basis to unrelated third parties on a one-year renewable basis, thereby reducing accounts receivable on the Company's Consolidated Balance Sheets. The Company enters into these arrangements because they provide an additional source of liquidity. Proceeds from these programs were used to reduce outstanding borrowings. The terms of the revolving securitization arrangements require that the receivable pools subject to the programs meet certain performance ratios. As of September 30, 2006, the Company was in compliance with the required ratios under the receivable securitization programs.

Liquidity and Capital Resources

The Company believes that its operating cash flows (\$1.82 billion for the nine months ended September 30, 2006), cash and cash equivalents (\$3.18 billion at September 30, 2006), borrowing capacity under its committed bank facility (which consisted of an unused revolving Credit Facility of \$2.76 billion at September 30, 2006), and access to capital markets are sufficient to fund its operating needs, including commitments and contingencies, capital and investing commitments and its financing requirements for the foreseeable future. The funding for commitments to purchase sports programming rights, television and film operations, and talent contracts will come primarily from cash flow from operations.

During the nine months ended September 30, 2006, the Company contributed \$50 million to pre-fund one of its qualified pension plans. The Company expects to contribute up to an additional \$200 million to pre-fund its qualified pension plans during 2006.

The Company continually projects anticipated cash requirements, which include capital expenditures, dividends, acquisitions, and principal payments on its outstanding indebtedness, as well as cash flows generated from operating activity available to meet these needs. Any net cash funding requirements are financed with short-term borrowings (primarily commercial paper) and long-term debt. Commercial paper borrowings, which also accommodate day-to-day changes in funding requirements, are backed by a committed bank facility that may be utilized in the event that commercial paper borrowings are not available. The Company's credit position affords sufficient access to the capital markets to meet the Company's financial requirements.

The Company anticipates that future debt maturities will be funded with cash and cash equivalents and cash flows generated from operating activities and other debt financing. There are no provisions in any of the Company's material financing agreements that would cause an acceleration of the obligation in the event of a downgrade in the Company's debt ratings.

The Company filed a shelf registration statement with the Securities and Exchange Commission registering debt securities, preferred stock and warrants of CBS Corp. that may be issued for aggregate gross proceeds of \$5.0 billion. The registration statement was first declared effective on January 8, 2001. The net proceeds from the sale of the offered securities may be used by CBS Corp. for general corporate purposes, including repayment of borrowings, working capital and capital expenditures; or for such other purposes as may be specified in the applicable prospectus supplement. To date, the Company has issued \$2.385 billion of securities under the shelf registration statement.

Voluntary Exchange Offer

On June 1, 2006, the Company announced the completion of its Voluntary Exchange Offer ("VEO") which gave eligible employees the voluntary opportunity to tender their outstanding stock options to purchase shares of CBS Corp. Class B Common Stock in exchange for restricted shares (for eligible employees who are subject to United States income tax) or restricted share units ("RSUs") (for eligible employees who are not subject to United States income tax) of CBS Corp. Class B Common Stock having a value equal to 75% of the fair value attributed to the eligible options. For the restricted shares and RSUs issued in exchange for the fully vested options, no compensation expense was recorded. For the restricted shares and RSUs issued in exchange for unvested options, compensation expense will be recorded based on the grant-date fair value of the options over the remaining vesting period. Employees who participated in the VEO made separate tendering decisions with respect to all of their stock options awarded prior to January 1, 2006 that were out-of-the-money (options with an exercise price equal to or greater than \$24.9340) and all of those that were in-the-money (options with an exercise price less than \$24.9340). Restricted shares and RSUs issued in connection with the VEO will vest in two equal annual installments on the second and third anniversaries of the date of grant, June 1, 2006, subject to forfeitures and other restrictions. As a result of the VEO, options to purchase 63.7 million shares of CBS Corp. Class B Common Stock were exchanged for 7.1 million restricted shares and ..1 million RSUs.

Off-Balance Sheet Arrangements

In connection with the Separation, Viacom Inc. has agreed to indemnify the Company with respect to obligations related to Blockbuster Inc. ("Blockbuster"), including certain Blockbuster store leases; certain UCI theatre leases; and certain theater leases related to W.F. Cinema Holdings L.P. and Grauman's Theatres LLC.

The Company has indemnification obligations with respect to letters of credit and surety bonds primarily used as security against non-performance in the normal course of business. The outstanding letters of credit and surety bonds approximated \$410.4 million at September 30, 2006 and are not recorded on the balance sheet as of September 30, 2006.

In the course of its business, the Company both provides and receives indemnities which are intended to allocate certain risks associated with business transactions. Similarly, the Company may remain contingently liable for various obligations of a business that has been divested in the event that a third party does not live up to its obligations under an indemnification obligation. The Company records a liability for its indemnification obligations and other contingent liabilities when probable under generally accepted accounting principles.

Legal Matters

Shareholder Derivative Lawsuits and Demands. Two shareholder derivative lawsuits, consolidated as *In re Viacom Shareholders Derivative Litigation*, were filed in July 2005 in New York State Supreme Court relating to executive compensation and alleged corporate waste. The actions name each member of Former Viacom's Board of Directors, Messrs. Tom Freston and Leslie Moonves (each of whom were executive officers of Former Viacom), and, as a nominal defendant, Former Viacom, alleging that the 2004 compensation of Messrs. Redstone, Freston, and Moonves was excessive and unwarranted and challenging the independence of certain Former Viacom directors. Mr. Redstone is the Company's Executive Chairman of the Board of Directors and Founder and Mr. Moonves is the Company's President and Chief Executive Officer. Mr. Freston is Viacom Inc.'s former President and Chief Executive Officer. Plaintiffs seek unspecified damages from the members of the Former Viacom Board of Directors for their alleged breach of fiduciary duties, disgorgement of the 2004 compensation paid to the above named officers of Former Viacom, equitable relief, and attorney fees and expenses. The Company moved to dismiss the complaints and oral argument was heard on February 16, 2006. On June 26, 2006, the court denied the Company's motion to dismiss. The Company has appealed that decision. Any liabilities in this matter adverse to the Company and/or Viacom Inc. will be shared equally between the Company and Viacom Inc. The Company believes that the plaintiffs' positions in these actions are without merit and it intends to vigorously defend itself in the litigation.

The Company has received shareholder demands seeking access to books and records of the Company relating to executive compensation paid to Sumner M. Redstone, Tom Freston and Leslie Moonves, accompanied by statements that such demands are in furtherance of an investigation of possible mismanagement, self-dealing and corporate waste by directors and officers of Former Viacom. Another shareholder demand seeking access to books and records relates to the compensation of Sumner M. Redstone and Mel Karmazin (former Chief Operating Officer of Former Viacom). One of the demands also seeks access to books and records of the Company relating to Sumner M. Redstone's acquisition of a controlling interest in Midway Games Inc. The Company intends to comply with all reasonable requests. Under the Separation Agreement between the Company and Viacom Inc., liabilities in connection with executive compensation claims relating to officers of Former Viacom are shared equally by the Company and Viacom Inc.

Claims Related to Former Businesses: Asbestos, Environmental and Other. The Company is a defendant in lawsuits claiming various personal injuries related to asbestos and other materials, which allegedly occurred principally as a result of exposure caused by various products manufactured by Westinghouse, a predecessor, generally prior to the early 1970s. Westinghouse was neither a producer nor a manufacturer of asbestos. The Company is typically named as one of a large number of defendants in both state and federal cases. In the majority of asbestos lawsuits, the plaintiffs have not identified which of the Company's products is the basis of a claim. Claims against the Company in which a product has been identified principally relate to exposures allegedly caused by asbestos-containing insulating material in turbines sold for power-generation, industrial and marine use, or by asbestos containing grades of decorative micarta, a laminate used in commercial ships.

Claims are frequently filed and/or settled in large groups, which may make the amount and timing of settlements, and the number of pending claims, subject to significant fluctuation from period to period. The Company does not report as pending those claims on inactive, stayed, deferred or similar dockets which some jurisdictions have established for claimants who allege minimal or no impairment. As of September 30, 2006, the Company had pending approximately 81,300 asbestos claims, as compared with approximately 101,170 as of December 31, 2005 and approximately 104,000 as of September 30, 2005. Of the claims pending as of September 30, 2006, approximately 57,600 were pending in state courts, 21,040 in federal courts and, additionally, approximately 2,660 were third party claims pending in state courts. During the third quarter of 2006, the Company received approximately 1,670 new claims and closed or moved to an inactive docket approximately 15,100 claims. The Company reports claims as closed when it becomes aware that a dismissal order has been entered by a court or when the Company has reached agreement with the claimants on the material terms of a settlement.

Management's Discussion and Analysis of Results of Operations and Financial Condition

Settlement costs depend on the seriousness of the injuries that form the basis of the claim, the quality of evidence supporting the claims and other factors. To date, the Company has not been liable for any third party claims. The Company's total costs for the years 2005 and 2004 for settlement and defense of asbestos claims after insurance recoveries and net of tax benefits were approximately \$37.2 million and \$58.4 million, respectively. The Company's costs for settlement and defense of asbestos claims may vary year to year as insurance proceeds are not always recovered in the same period as the insured portion of the expenses.

Filings include claims for individuals suffering from mesothelioma, a rare cancer, the risk of which is allegedly increased primarily by exposure to asbestos; lung cancer, a cancer which may be caused by various factors, one of which is alleged to be asbestos exposure; other cancers, and conditions that are substantially less serious, including claims brought on behalf of individuals who are asymptomatic as to an allegedly asbestos-related disease. Claims identified as cancer remain a small percentage of asbestos claims pending at September 30, 2006. In a substantial number of the pending claims, the plaintiff has not yet identified the claimed injury. The Company believes that its reserves and insurance are adequate to cover its asbestos liabilities.

The Company from time to time receives claims from federal and state environmental regulatory agencies and other entities asserting that it is or may be liable for environmental cleanup costs and related damages principally relating to historical and predecessor operations of the Company. In addition, the Company from time to time receives personal injury claims including toxic tort and product liability claims (other than asbestos) arising from historical operations of the Company and its predecessors.

Payola. The Attorney General of the State of New York is conducting an investigation of record companies, radio stations and independent record promoters relating to the promotion and selection of music on radio stations, principally to determine whether radio stations have received undisclosed payments or other items of value that were tied to their decisions on what songs to play, a practice commonly known as "payola." In connection with this investigation, the Attorney General has entered into settlement agreements with EMI Music, Sony/BMG Music Entertainment, Universal Music Group and Warner Music Group Corp. The Attorney General has also filed a lawsuit against Entercom Communications Corp., which owns and operates radio stations in the State of New York, alleging that various arrangements with record companies and independent record promoters are, inter alia, deceptive business practices under New York law. On October 17, 2006, CBS Radio entered into a settlement with the Attorney General. Among other things, the settlement provides for the implementation of certain business reforms including the appointment of a CBS Radio compliance officer, additional payola compliance training and a \$2.0 million settlement payment to Rockefeller Philanthropy Advisors, which will distribute the money to non-profit organizations in New York State that support music education and appreciation. In connection with this settlement, CBS Radio did not admit to any liability or violations of law. In addition, the FCC, based on a review of information provided to it by the Attorney General, has initiated its own investigation of whether certain arrangements between radio stations and record companies and independent record promoters constitute "payola" in violation of the Communications Act. The FCC has issued a Letter of Inquiry to CBS Radio and three other large radio companies requesting additional information about these practices. CBS Radio intends to cooperate with the FCC in this investigation and is in the process of gathering the information requested by the FCC.

Indecency Regulation. On March 15, 2006, the FCC released certain decisions relating to indecency complaints against certain of the Company's owned television stations and affiliated stations. The FCC ruled in the Super Bowl proceeding and ordered the Company to pay a forfeiture of \$550,000. On May 31, 2006, the FCC denied the Company's petition for reconsideration. On July 28, 2006, the Company filed a Petition for Review of the forfeiture and denial of reconsideration with the U.S. Court of Appeals for the Third Circuit and paid the \$550,000 forfeiture under protest so that it could bring the appeal.

Management's Discussion and Analysis of Results of Operations and Financial Condition

On March 15, 2006, the FCC also notified the Company and certain affiliates of the CBS Television Network of apparent liability for forfeitures relating to a broadcast of the program *Without a Trace*. The FCC proposed to assess a forfeiture totaling \$3.35 million for such matter; of that amount \$260,000 is against certain owned and operated stations and the remainder is against stations affiliated with the CBS Television Network. The Company is contesting the FCC decision and the proposed forfeitures. Also, on March 15, 2006, as part of an omnibus indecency order, the FCC ruled that a broadcast of *The Early Show* was indecent, but declined to issue a forfeiture. That decision and others are the subject of a petition for review filed in the U.S. Court of Appeals for the Second Circuit by the Company, as well as the other broadcast networks and their affiliate associations. On July 5, 2006, the FCC moved for a stay of the cases for 60 days and for a remand of the matter to the FCC for further proceedings. On September 7, 2006, the court granted the FCC's motion to remand the cases back to the FCC, and stayed enforcement of the omnibus indecency order for 60 days. Additionally, the Company, from time to time, has received and may receive in the future letters of inquiry from the FCC prompted by complaints alleging that certain programming on the Company's broadcasting stations included indecent material. In a separate matter, a new law increased the maximum forfeiture for a single indecency violation to \$325,000, with a maximum forfeiture exposure of \$3,000,000 for any continuing violation arising from a single act or failure to act, which amounts will be effective when the FCC issues implementing regulations.

On an ongoing basis, the Company defends itself in a multitude of lawsuits and proceedings and responds to various investigations and inquiries from federal, state and local authorities (collectively, "litigation"). Litigation is inherently uncertain and always difficult to predict. However, based on its understanding and evaluation of the relevant facts and circumstances, the Company believes that the above-described legal matters and other litigation to which it is a party are not likely, in the aggregate, to have a material adverse effect on its results of operations, financial position or cash flows. Under the Separation Agreement between the Company and Viacom Inc., Viacom Inc. has agreed to defend and indemnify the Company in certain litigation in which the Company is named.

**Management's Discussion and Analysis of
Results of Operations and Financial Condition**

The costs of these purchases are initially recorded as inventory and amortized over the life of the contract or projected useful life of the programming. In addition, CBS Corp. places advertisements with various subsidiaries of Viacom Inc. Other Related Parties. The Company owned approximately 18% of Westwood One as of September 30, 2006, which is accounted for by the Company as an equity investment. Three members of Westwood One's board of directors are officers of CBS Radio or otherwise affiliated with the Company. CBS Radio receives compensation for providing management services to Westwood One pursuant to a Management Agreement, including the services of a chief executive officer who is an employee of CBS Radio. Westwood One and CBS Radio also are parties to a Representation Agreement (including a related News Programming Agreement, Trademark License Agreement and Technical Services Agreement) pursuant to which Westwood One operates the CBS Radio Networks and CBS Radio is paid an annual fee. The Management Agreement and Representation Agreement expire on March 31, 2009. Certain of the Company's radio stations and Westwood One have affiliation agreements pursuant to which such radio stations air programs and/or commercials supplied by Westwood One and, in return, the stations receive affiliation fees and certain programming cost reimbursements. CBS Television also has arrangements with Westwood One relating to the provision of news and sports programming to Westwood One. Revenues from all of these arrangements were approximately \$19.7 million and \$21.8 million for the three months ended September 30, 2006 and 2005, respectively, and \$60.5 million and \$62.5 million for the nine months ended September 30, 2006 and 2005, respectively.

Recent Pronouncements

In September 2006, the Financial Accounting Standards Board ("FASB") issued Statement of Financial Accounting Standards ("SFAS") No. 158 "Employers' Accounting for Defined Benefit Pension and Other Postretirement Plans—an amendment of FASB Statements No. 87, 88, 106, and 132(R)" ("SFAS 158"), effective for fiscal years ending after December 15, 2006. SFAS 158 requires the balance sheet recognition of the overfunded or underfunded status of a defined benefit postretirement plan as an asset or a liability along with a corresponding after-tax adjustment to accumulated other comprehensive income included in stockholders' equity.

Management's Discussion and Analysis of Results of Operations and Financial Condition

The Company estimates the impact of implementation of SFAS 158 as of December 31, 2006 will result in an after-tax reduction of approximately \$80 million to stockholders' equity. As the actual impact of adopting SFAS 158 will be dependent upon the fair value of plan assets and the amount of projected benefit obligations measured as of December 31, 2006, the above estimated impact on stockholders' equity may not be reflective of the actual impact of the adoption at December 31, 2006.

In September 2006, the FASB issued SFAS No. 157, "Fair Value Measurements" ("SFAS 157"), effective for fiscal years beginning after November 15, 2007 and interim periods within those fiscal years. SFAS 157 establishes a framework for measuring fair value under generally accepted accounting principles and expands disclosures about fair value measurement. The Company is currently evaluating the impact of the adoption of SFAS 157 on the Consolidated Financial Statements.

In September 2006, the Security and Exchange Commission ("SEC") issued Staff Accounting Bulletin ("SAB") No. 108 ("SAB 108"), effective for fiscal years ending after November 15, 2006. SAB 108 provides interpretive guidance on how the effects of the carryover or reversal of prior year misstatements should be considered in quantifying a current year misstatement for the purpose of a materiality assessment. The Company does not anticipate the adoption of SAB 108 to have an effect on the Company's Consolidated Financial Statements.

In June 2006, the FASB issued FASB Interpretation No. 48, "Accounting for Uncertainty in Income Taxes—an interpretation of FASB Statement No. 109" ("FIN 48"), effective for fiscal years beginning after December 15, 2006. FIN 48 clarifies the accounting for uncertainty in income taxes recognized in a company's financial statements in accordance with SFAS No. 109, "Accounting for Income Taxes." FIN 48 prescribes a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. The Company is currently evaluating the impact of the adoption of FIN 48 on the Company's Consolidated Financial Statements.

Critical Accounting Policies

On January 1, 2006, the Company adopted SFAS No. 123 (revised 2004) "Share-Based Payment" ("SFAS 123R"). SFAS 123R requires companies to measure the cost of employee services received in exchange for an award of equity instruments based on the grant-date fair value of the award. That cost is recognized over the vesting period during which an employee is required to provide service in exchange for the award. The Company adopted SFAS 123R using the modified-prospective application method and accordingly, recognizes compensation cost for equity based compensation for all new or modified grants after the date of adoption. In addition, the Company recognizes the unvested portion of the grant-date fair value of awards made prior to the adoption based on the fair values previously calculated for disclosure purposes. The fair value of each option grant is estimated on the date of grant using the Black-Scholes option-pricing model. The determination of the assumptions used in the Black-Scholes model requires management to make significant judgments and estimates. The use of different assumptions and estimates in the Black-Scholes option pricing model could have a material impact on the estimated fair value of option grants and the related expense. The risk free interest rate is based on a U.S. Treasury rate in effect on the date of grant with a term equal to the expected life. The expected term was determined based on historical employee exercise and post-vesting termination behavior. The expected dividend yield is based on the current annual dividend. When calculating expected stock price volatility, the Company placed exclusive reliance on implied volatility due to the limited amount of trading history for CBS Corp. Class B Common Stock. In addition, given the existence of an actively traded market for CBS Corp. options, the Company was able to derive implied volatility using publicly traded options to purchase CBS Corp. Class B Common Stock that were trading near the grant date of the employee stock options at a similar exercise price and a remaining term of greater than one year. Although there is an active market for these publicly traded CBS Corp. options, the Company believes that due to their short trading history, the volatility of these options alone may not be indicative of expected volatility. As a result, the expected stock price volatility was determined using an average of the implied volatility of these options and the implied volatility of publicly traded options for entities with similar business characteristics within the Company's industry.

Cautionary Statement Concerning Forward-Looking Statements

This quarterly report on Form 10-Q, including "Item 2—Management's Discussion and Analysis of Results of Operations and Financial Condition," contains both historical and forward-looking statements. All statements other than statements of historical fact are, or may be deemed to be, forward-looking statements within the meaning of section 27A of the Securities Act of 1933 and section 21E of the Securities Exchange Act of 1934. These forward-looking statements are not based on historical facts, but rather reflect the Company's current expectations concerning future results and events. PART II—OTHER INFORMATION

Item 1. Legal Proceedings.

Shareholder Derivative Lawsuits. As previously reported, two shareholder derivative lawsuits, consolidated as *In re Viacom Shareholders Derivative Litigation*, were filed in July 2005 in New York State Supreme Court relating to executive compensation and alleged corporate waste. The actions name each member of Former Viacom's Board of Directors, Messrs. Tom Freston and Leslie Moonves (each of whom were executive officers of Former Viacom), and, as a nominal defendant, Former Viacom, alleging that the 2004 compensation of Messrs. Redstone, Freston, and Moonves was excessive and unwarranted and challenging the independence of certain Former Viacom directors. The Company moved to dismiss the complaints and oral argument was heard on February 16, 2006. On June 26, 2006, the court denied the Company's motion to dismiss. The Company has appealed that decision. Under the Separation Agreement between the Company and Viacom Inc., liabilities in connection with executive compensation claims relating to officers of Former Viacom are shared equally by the Company and Viacom Inc.

Item 2. Unregistered Sales of Equity Securities and Use of Proceeds.

During the three months ended September 30, 2006, the Company did not purchase any shares under its \$8.0 billion stock purchase program which has remaining authorization of \$579.8 million.

Terms and Conditions to the Restricted Shares
(Performance-Based with Time-Vesting)
Granted in Connection with the Voluntary Exchange Offer under the
2004 Long-Term Management Incentive Plan

Article I

TERMS OF RESTRICTED SHARES

Section 1.1 **Grant of Restricted Shares.** CBS Corporation, a Delaware corporation (the "Company"), has awarded the Participant restricted shares of Class B Common Stock (the "Restricted Shares") under the CBS Corporation 2004 Long-Term Management Incentive Plan, as amended from time to time through the Date of Grant (as defined below) (the "Plan"). The Restricted Shares have been awarded to the Participant in connection with the Company's voluntary exchange offer commenced on May 3, 2006 (the "Voluntary Exchange Offer") in exchange for eligible stock options tendered to the Company by the Participant pursuant to the Voluntary Exchange Offer and are subject to (A) the certificate for the grant of Restricted Shares attached hereto (the "Restricted Shares Certificate"), (B) the terms and conditions set forth herein (the Restricted Shares Certificate and the terms and conditions, collectively, the "Certificate") and (C) the Plan, the terms of which are hereby incorporated by reference (items listed in (A), (B) and (C), collectively, the "Terms and Conditions"). A copy of the Plan has been or is being provided to the Participant. Capitalized terms that are not otherwise defined herein have the meanings assigned to them in the Plan.

Section 1.2 **Terms of Restricted Shares Vesting.** Subject to the other terms and conditions contained in the Certificate and in the Plan and subject to the Committee certifying that the performance goal (the "Performance Goal") established by the Committee for calendar year 2006 (the "Performance Period") has been achieved, the Restricted Shares shall vest in two equal installments on the second and third anniversaries of June 1, 2006 (the "Date of Grant"). Any fractional shares resulting from the application of the foregoing vesting schedule will be aggregated and will vest on the second anniversary of the Date of Grant. Each portion of the Restricted Shares will vest only if the Participant remains in continuous employment with the Company or one of its Subsidiaries through the applicable vesting date. In accordance with and subject to Section 1.2(d) below, in the event of the Participant's termination of employment for any reason, unvested Restricted Shares shall be forfeited to the Company. Notwithstanding anything to the contrary in this Section 1.2(d), in the event that the Committee determines that the Performance Goal established for the Restricted Shares for the Performance Period has not been achieved, the Restricted Shares will not vest, and will be immediately cancelled in their entirety and the Participant's rights with respect to such Restricted Shares will cease. The performance criteria with respect to the Performance Goal for the Performance Period is OIBDA Without Inter-Company Eliminations subject to adjustment pursuant to Section 2.2 hereof.

(b) Custody. Effective as of the Date of Grant, the Bank of New York will be the record holder of the Restricted Shares and will hold the Restricted Shares for the benefit of the Participant. The interests of the Participant will be recorded in books and records maintained by the Company with respect to the Restricted Shares. Upon vesting of any Restricted Shares, the Participant's vested shares (less shares withheld to satisfy withholding tax obligations) will be transferred to the Participant's equity compensation account maintained with Smith Barney (or its successor as service provider to the Company's equity compensation plans). Following such transfer, the Participant may direct Smith Barney (or its successor) to sell some or all of such shares, may leave such shares in such equity compensation account or may transfer them to an account that the Participant maintains with a bank or broker by following the instructions made available to the Participant by the Company.

(c) Dividend Accruals. During the period between the Date of Grant and the date that any Restricted Shares vest, Restricted Shares will accrue dividends whenever the Company pays a cash dividend on the outstanding shares of Class B Common Stock. Such accrued dividends will be subject to the same vesting conditions as the underlying Restricted Shares on which the dividends were accrued. The Company shall credit the accrual of the dividends on unvested Restricted Shares to the Participant's account at such time and in such manner as determined by the Committee, in its sole discretion. The Company shall maintain a bookkeeping record with respect to the amount of the dividends credited to the Participant's account. Accrued dividends that have been credited to the Participant's account shall be paid in cash through payroll (reduced by amounts necessary to satisfy withholding tax obligations) when the related Restricted Shares vest. Accrued dividends that have been credited to the Participant's account will not be paid with respect to any Restricted Shares that do not vest and are cancelled. Dividends will not be credited with any interest or other return between the date they accrue and the date they are paid to the Participant.

(d) Termination of Employment. In the event that the Participant's employment with the Company or any of its Subsidiaries ends for any reason before the Restricted Shares have vested in full in accordance with Section 1.2(a) hereof, the Participant shall forfeit all unvested Restricted Shares (and all unvested dividends accrued thereon) as of the date of such termination of employment, unless the Committee determines otherwise or unless the Participant has an employment agreement with the Company or one of its Subsidiaries that provides for a different treatment, in which case the terms of the Participant's employment agreement will control. A "termination of employment" occurs, for purposes of the Restricted Shares, when a Participant is no longer an employee of the Company or any of its Subsidiaries for any reason, including, without limitation, a reduction in force, a sale or divestiture or shut-down of the business for which the Participant works, the Participant's voluntary resignation, the Participant's termination with or without cause or the Participant's retirement, death or permanent disability. Unless the Committee determines otherwise, the employment of a Participant who works for a Subsidiary shall terminate, for purposes of the Restricted Shares, on the date on which the Participant's employing company ceases to be a Subsidiary.

ARTICLE II

ADJUSTMENT OF AWARDS

Section 2.1 Effect of Certain Corporate Changes. In the event of a merger, consolidation, stock split, reverse stock split, dividend, distribution, combination, reclassification, reorganization, split-up, spin-off or recapitalization that changes the character or amount of the Class B Common Stock or any other changes in the corporate structure, equity securities or capital structure of the Company, the Committee shall make such adjustments, if any, to the number and kind of securities subject to the Restricted Shares, as it deems appropriate. The Committee may, in its sole discretion, also make such other adjustments as it deems appropriate in order to preserve the benefits or potential benefits intended to be made available hereunder. Such determinations by the Committee shall be conclusive and binding on all persons for all purposes.

Section 2.2 Adjustment of Performance Goal. In the event that, during the Performance Period, any merger, consolidation, combination, reorganization, recapitalization, acquisition, divestiture, spin-off, liquidation, dissolution, sale of assets, or other similar corporate transaction or event, or any other extraordinary event, circumstance occurs which has the effect, as determined by the Committee, in its sole discretion, of distorting the Performance Goal, including, without limitation, changes in accounting standards, the Committee may adjust or modify, as determined by the Committee in its sole discretion, the calculation of the Performance Goal, to the extent necessary to prevent reduction or enlargement of the award of the Restricted Shares for such Performance Period attributable to such transaction, circumstance or event. Such adjustments by the Committee shall be conclusive and binding on all persons for all purposes.

ARTICLE III

DEFINITIONS

As used herein, the following terms shall have the following meanings:

- (a) "Board" shall mean the Board of Directors of the Company.
- (b) "Class B Common Stock" shall mean shares of Class B Common Stock, par value \$0.001 per share, of the Company.
- (c) "Code" shall mean the Internal Revenue Code of 1986, as amended, including any successor law thereto and the rules and regulations promulgated thereunder.
- (d) "Committee" shall mean the Compensation Committee of the Board (or such other committee(s) as may be appointed or designated by the Board to administer the Plan).

(e) "Fair Market Value" of a share of Class B Common Stock on a given date shall be the 4:00 p.m. (New York time) closing price on such date on the New York Stock Exchange or other principal stock exchange on which the Class B Common Stock is then listed, as reported by The Wall Street Journal (Northeast edition) or as reported by any other authoritative source selected by the Company.

(f) "Participant" shall mean the employee to whom the Restricted Shares are awarded.

(g) "Subsidiary" shall mean a corporation (or a partnership or other enterprise) in which the Company owns or controls, directly or indirectly, more than 50% of the outstanding shares of stock normally entitled to vote for the election of directors (or comparable equity participation and voting power).

ARTICLE IV

MISCELLANEOUS

Section 4.1 No Rights to Grants or Continued Employment. Neither the Terms and Conditions nor any action taken in accordance with such documents shall confer upon the Participant any right to be employed by or to continue in the employment of the Company or any Subsidiary. In addition, the Terms and Conditions or any such action shall confer upon the Participant any entitlement to receive any future awards under the Plan or any other plan of the Company or any Subsidiary or interfere with or limit the right of the Company or any Subsidiary to modify the terms of or terminate the Participant's employment at any time for any reason.

Section 4.2 Restriction on Transfer. None of the Restricted Shares may be sold, transferred, assigned, pledged or otherwise encumbered or disposed of prior to vesting; provided, however, that the Committee may permit transferability, subject to any conditions and limitations that it may, in its sole discretion, impose.

Section 4.3 Tax Withholding. The Company or a Subsidiary, as appropriate, shall be entitled to withhold from any Restricted Shares that vest, and from any payment (including payment of accrued dividends) made with respect to the Restricted Shares or otherwise under the Plan to the Participant or a Participant's estate or any permitted transferee, an amount sufficient to satisfy any U.S. federal, state, local and/or other tax withholding requirements. The Company expects that, in order to satisfy such requirements, it will (i) in connection with the vesting of any Restricted Shares, retain a portion of such shares, and (ii) in connection with the payment of any accrued cash dividends, retain a portion of the cash amount that would otherwise be paid. As a condition to participating in the Voluntary Exchange Offer and receiving this grant of Restricted Shares, the Participant has agreed to the foregoing actions to satisfy such tax withholding requirements. Notwithstanding the foregoing, the Company may, in its discretion and subject to such conditions as it may determine, require or permit the Participant to satisfy such tax withholding requirements through some other means (including without limitation by payment of a cash amount equal to the amount of such tax withholding requirements or by delivery of

Class B Common Stock already owned by the Participant having a Fair Market Value equal to the amount of such tax withholding requirements).

Section 4.4 Section 83(b) Election. As a condition to participating in the Voluntary Exchange Offer and receiving this grant of Restricted Shares, the Participant has agreed not to file an election under Section 83(b) of the Code with respect to the grant of the Restricted Shares. Should the Participant attempt to make such an election under Section 83(b) of the Code, the Restricted Shares will be forfeited.

Section 4.5 No Restriction on Right of Company to Effect Corporate Changes. The Terms and Conditions shall not affect in any way the right or power of the Company or its stockholders to make or authorize any or all adjustments, recapitalizations, reorganizations or other changes in the Company's capital structure or its business, or any merger or consolidation of the Company, or any issue of stock or of options, warrants or rights to purchase stock or of bonds, debentures, preferred or prior preference stocks whose rights are superior to or affect the Class B Common Stock or the rights thereof or which are convertible into or exchangeable for Class B Common Stock, or the dissolution or liquidation of the Company, or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar character or otherwise.

Section 4.6 Interpretation. In the event of any conflict between the provisions of the Certificate (including the definitions set forth herein) and those of the Plan, the provisions of the Plan will control. Additionally, in the event of a conflict or ambiguity between the provisions of the Certificate and the provisions of any employment agreement that is in effect and applicable to the Participant with respect to the Restricted Shares, the provisions of such employment agreement shall be deemed controlling to the extent such provisions are consistent with the provisions of the Plan and are more favorable to the Participant than the provisions of the Certificate.

Section 4.7 Breach of Covenants. In the event that (i) the Participant is party to an employment agreement or other agreement with the Company or one of its Subsidiaries containing restrictive covenants relating to non-competition, no solicitation of employees, confidential information or proprietary property, and (ii) the Committee makes a good faith determination at any time that the Participant has committed a material breach of any of such restrictive covenants during the one year period after termination of the Participant's employment with the Company or a Subsidiary (regardless of the circumstances of the Participant's termination of employment), then (x) the Participant will be required to return to the Company all shares of Class B Common Stock received by him or her as a result of the vesting of the Restricted Shares during the one year period prior to such breach and the cash payment of related accrued dividends; provided, however, to the extent that any such shares of Class B Common Stock were sold by the Participant, the Participant shall remit to the Company any proceeds realized on the sale of such shares of Class B Common Stock, whether such sale occurred during the one year period prior to such breach or any time after such breach occurs and (y) notwithstanding any provision of the Certificate or any other agreement between the Company and the Participant, including any agreement referenced in Section 1.2 (d) hereof, under no circumstances will any unvested Restricted Shares vest following the Committee's determination that Participant has committed a material breach.

Section 4.8 Governmental Regulations. The Restricted Shares shall be subject to all applicable rules and regulations of governmental or other authorities.

Section 4.9 Headings. The headings of articles and sections herein are included solely for convenience of reference and shall not affect the meaning of any of the provisions of the Terms and Conditions.

Section 4.10 Governing Law. The Terms and Conditions and all rights hereunder shall be construed in accordance with and governed by the laws of the State of Delaware.
